

The Bioinformatics Core Seminar Series

Office of Research Core Administration

A Walk Through Single Cell RNASeq Data Analysis

Pankaj Kumar, Ph.D.

Assistant Professor,
Department of Biochemistry and
Molecular Genetics

Bioinformatics Core Director
pk7z@virginia.edu

Topics of Discussion

- Data QC
- Ambient RNA Removal
- Data Normalization
- Clustering
- Cluster Optimization
- Cluster Annotation
- Pathway Analysis
- Cell-Cell Communication

Feb 14, 2023 (2PM)

Pinn Hall 1014
