---

This program is free and open to the entire university and the public. Health professionals who attend may apply for continuing education credit. Medical Center Hour counts toward first-year medical students' SIM requirements.

The Medical Center Hour is produced weekly throughout the academic year by the Center for Biomedical Ethics and Humanities of the University of Virginia School of Medicine. Our series includes History of the Health Sciences Lectures, which we produce together with Historical Collections in the Claude Moore Health Sciences Library.

For information, call 434.924.5974 or see

<http://www.medicine.virginia.edu/community-service/centers/biomedical-ethics-and-humanities/medical-center-hour>

See Medical Center Hour on YouTube at <http://www.youtube.com/uvamch>. Videos post a week after the program.

UVA School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. UVA School of Medicine designates this live activity for a maximum of one AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. UVA School of Medicine awards one hour of participation to each non-physician participant who successfully completes this educational activity. UVA School of Medicine maintains a permanent record of participants awarded hours of participation. CME transcripts may be obtained at [www.cmevillage.com](http://www.cmevillage.com) (click on Transcripts and follow instructions).
