Watch the Medical Center Hour on YouTube at <http://www.youtube.com/uvamch>. Programs are usually posted within one week of live presentation.

The John F. Anderson Memorial Lectureship was established in 1955 by John F. Anderson, M.D., an 1895 graduate of the UVA School of Medicine and a leading figure in infectious disease, public health, and pharmaceutical research. His gift makes possible a lectureship in medical science and public health that brings to this health care community the latest developments in these fields. We gratefully acknowledge the John F. Anderson Memorial Lectureship Trust's support for all Medical Center Hours in the 2012-2013 academic year except those otherwise designated.

The University of Virginia School of Medicine (UVASOM) is accredited by the ACCME to provide continuing medical education for physicians. UVASOM designates this **live activity** for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. UVASOM awards one hour of participation to each non-physician participant who successfully completes this educational activity. UVASOM maintains a permanent record of participants who have been awarded hours of participation. CME transcripts may be obtained at www.cmevillage.com
