The Medical Center Hour is produced weekly throughout the academic year by the Center for Biomedical Ethics and Humanities. In partnership with Historical Collections of the Claude Moore Health Sciences Library, our series includes History of the Health Sciences Lectures. For information, call 434.924.5974 or see

<http://www.medicine.virginia.edu/community-service/centers/biomedical-ethics-and-humanities/medical-center-hour>

Watch the Medical Center Hour on YouTube at <http://www.youtube.com/uvamch> and also on Comcast channel 13, Wednesday evenings, 8:00 pm (television programs are normally aired three weeks after live presentation).

The John F. Anderson Memorial Lectureship was established in 1955 by John F. Anderson, M.D., an 1895 graduate of the University of Virginia School of Medicine and a leading figure in infectious disease, public health, and pharmaceutical research. His generous gift makes possible a lectureship in medical science and public health that brings to this medical community the latest developments in these fields. We gratefully acknowledge support from the John F. Anderson Memorial Lectureship Trust for many Medical Center Hour programs throughout this 2010- 2011 academic year; these programs are designated John F. Anderson Memorial Lectures.

The UVA School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. UVA SoM designates this educational activity for a maximum of 1 *AMA PR-A Category 1 Credit*. Physicians should only claim credit commensurate with their participation in the activity. UVA SoM awards 0.1 CEU per contact hour to each non-physician participant who successfully completes this educational activity. The CEU (Continuing Education Unit) is a nationally recognized unit of measure for continuing education and training activities meeting specific educational planning requirements. UVA SoM maintains a permanent record of participants awarded CEUs.
