Provided by the University of Virginia School of Medicine and School of Nursing

Wednesday, 05 October 2022
12:00-1:00 p.m. (EST)

In Person at Pinn Hall Conference Center Auditorium

Zoom Webinar: <https://us02web.zoom.us/j/83476598449>

Diabetes and the Fragmented States of America - the Opportunity for Primary Care Innovation

Mohammed K Ali MD, MSc, MBA (Speaker)

William H. Foege Distinguished Professor of Global Health, Co-Director, Emory Global Diabetes Research Center, Vice Chair (Research), Dept. of Family and Preventive Medicine
Emory University, Atlanta GA

Justin Mutter, MD, MSc (Moderator)

Director of Health Humanities Programs, UVA Center for Health Humanities & Ethics

Using diabetes as a case example, this talk will examine three major aspects of fragmented care in the United States. However, there are opportunities to optimize wellbeing, health services, and systems for communities and the nation at large. In an ever-changing and interconnected world, primary care and the health of Americans are inseparable needs. As health risks, morbidity, and mortality patterns evolve, we have opportunities in terms of access to data, analytics, and tools to advance and promote health.

Diabetes And The Fragmented State Of US Health Care And Policy

Puneet Kaur Chehal, Elizabeth Selvin, Jennifer E. DeVoe, Carol M. Mangione, and Mohammed K. Ali
Health Affairs 2022 41:7, 939-946

Course Description: The Medical Center Hour is the School of Medicine's biweekly public forum on medicine and society. Produced by the Center for Health Humanities and Ethics, the series includes History of the Health Sciences Lectures co-presented with Historical Collections in the Claude Moore Health Sciences Library. The series is also home to several other annual lectures of the Schools of Medicine and Nursing.

Target Audience: Physicians, Nurses, other Health professionals, students, and the public

Desired Outcomes:

At the conclusion of this activity, participants should be able to:

- Discuss expert-level content of current, sometimes controversial issues in health, ethics, and society that directly affects interprofessional clinical practice
- Apply of knowledge and skills across medicine and allied humanities and sciences related to interdisciplinary and Interprofessional approaches to issues and problem solving
- Utilize multiple perspectives such as social, historical, cultural, ethical, legal, religious/spiritual, and artistic to view their influence on medicine, clinical practice, and the health of the public
- Transfer knowledge into community-based and clinical approaches to health improvement, utilizing the health humanities and ethics through their exploration in these learning sessions

Accreditation & Designation Statements:

In support of improving patient care, the University of Virginia School of Medicine and School of Nursing is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Virginia School of Medicine and School of Nursing designates this live activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Virginia School of Medicine and School of Nursing awards **1 contact hour** for nurses who participate in this educational activity and complete the post activity evaluation.

The University of Virginia School of Medicine and School of Nursing awards **1 hour of participation** (consistent with the designated number of *AMA PRA Category 1 Credit(s)™* or ANCC contact hours) to a participant who successfully completes this educational activity. The University of Virginia School of Medicine and School of Nursing maintains a record of participation for six (6) years.

Disclosure(s):

Speaker: Mohammed K Ali MD has a relationship with Merck, Eli Lilly, and Bayer. The following speakers and planning committee have no personal or professional financial relationships with a commercial entity producing healthcare goods and/or services. Planning Committee: Jim Childress, PhD; Marcia Childress, PhD; R.J. Bonnie, LLB; R. Carpenter, DrNP; Mary Faith Marshall, PhD; Justin Mutter, MD, MSc; Kathryn Reid, PhD, APRN, FNP-BC, CNL; Lois Shepherd, JD.

Disclosure of faculty financial affiliations:

The University of Virginia School of Medicine and School of Nursing as a Joint Accreditation Provider adhere to the ACCME Standards for Integrity and Independence in Accredited Continuing Education, released in December 2020, as well as Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines. As the accredited provider for this CE/IPCE activity, we are responsible for ensuring that healthcare professionals have access to professional development activities that are based on best practices and scientific integrity that ultimately supports the care of patients and the public.

All individuals involved in the development and delivery of content for an accredited CE/IPCE activity are expected to disclose relevant financial relationships with ineligible companies occurring within the past 24 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). The University of Virginia School of Medicine and School of Nursing employ appropriate mechanisms to resolve potential conflicts of interest and ensure the educational design reflects content validity, scientific rigor and balance for participants. Questions about specific strategies can be directed to the University of Virginia School of Medicine and School of Nursing of the University of Virginia, Charlottesville, Virginia.

The faculty, staff, CE Advisory Committee and planning committee engaged in the development and/or peer review of this CE/IPCE activity in the Joint Accreditation CE Office of the School of Medicine and School of Nursing have no financial affiliations to disclose.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices

As a Joint Accreditation provider, the University of Virginia School of Medicine and School of Nursing, requires that all faculty presenters identify and disclose any off-label or experimental uses for pharmaceutical and medical device products. It is recommended that each clinician fully review all the available data on new products or procedures prior to clinical use.

Mohammed K Ali MD, MSc, MBA, is the William H. Foege Distinguished Professor of Global Health, Co-Director of the Emory Global Diabetes Research Center of the Woodruff Health Sciences Center, and Vice Chair for Research in the Department of Family and Preventive Medicine at Emory University. A global citizen with diverse training in medicine, cardiovascular research, global health, and business and management, he has built a portfolio focused on cardiometabolic health, health care and preventive services, and translation and implementation science over 14 years at Emory. His contributions include surveillance and policy research at the Centers for Disease Control and Prevention and leading or supporting synthesis reports for the World Health Organization, World Bank, and the National Academy of Medicine.

At the end of the conference

How to claim Continuing Education (CE) credit:
