1984 Phi Eta Sigma

VII. PROFESSIONAL AFFILIATIONS

2008-present American Society of Bioethics and Humanities
 ASBH Law Affinity Group
1995-present American Society of Law, Medicine and Ethics

VIII. AREAS OF RESEARCH INTEREST

Biomedical ethics and law, especially human subjects research, end-of-life decision making, reproduction, organ procurement and transplantation, disability, and theory.

IX. CURRENT PROJECTS

NIH-funded research project, Beyond the Federal Regulations: Ethical Guidance for Modifications of Research Informed Consent from Common Law Principles, National Center for Advancing Translational Sciences, Grant Number UL1TR003015, P.I. Karen C. Johnston, Administrative Supplement of \$100,000 for investigation led by Donna Chen and Lois Shepherd. Current law review draft, "Human Experimentation Without Consent" (with Donna Chen, Jordan Taylor, and Katie Kramer).

An Ethics of Welcome, a book project with Margaret Mohrmann, M.D., Ph.D. (in submission as book proposal)

X. TEACHING ACTIVITIES

I teach in the undergraduate and graduate School of Medicine curriculum, the Department of Public Health Sciences, and the School of Law. I have also taught in the College of Arts and Sciences and

the School of Nursing. My primary teaching is in bioethics, health policy, and clinical and research ethics.

In the School of Medicine

Undergraduate Medical Education

- 2014-present* Reproductive Ethics and Law, a two-week intensive elective co-taught with Mary Faith Marshall, Ph.D., combining medical, law, graduate nursing, and MPH students.
- 2020-present* Topics in Law, Medicine, and Society, a two-week intensive elective that combines medical and law students. (2020—law students and medical students in separate course; 2021 and on, combined).
- 2013-present* Ethics discussion sessions in clerkships (formerly in neurology, geriatrics, and internal medicine clerkships and for IMPLAC intersession; now in intersession for PNP); lecturer and contributor to curriculum development in UME NxGen curriculum (sessions in Foundations; Mind, Brain, and Behavior; formerly also in Renal); guest speaker for occasional student-led interest groups (e.g., medical student transplant interest group).
- 2013-2022* Year-long Interprofessional Seminar in Ethical Values (combining law and medical students, with Brad Worrall, M.D.)
- 2008-2012* Weekly small group mentor for 1st and 2nd year students; discussion leader in monthly ethics workshops in third year neurology and geriatrics clerkships; regular lecturer on ethics and law topics in first- and second-year curriculum; instructor of 2- week 4th year elective in law, medicine, and ethics; co-instructor in year-long Interprofessional Seminar in Ethical Values
- 2014-2022* Faculty member in two-week intensive 4th year elective, “Calls of Medicine,” (current lead instructor, Justin Mutter).

Graduate medical education

- 2012-2016* Human Subjects Research Ethics and Regulation—PHSE 8650, a three-credit seminar created for and taught in J-term as part of Certificate Program in PHS (co-created with Donna Chen, M.D.)
- 2012* Clinical Ethics—PHSE 8110, new three-credit seminar offering taught as part of Certificate Program in PHS
- 2008-present* Occasional invited guest speaker for GME Institutional Curriculum Lecture Series; GME Public Health Certificate Program; Core Competency Lecture Series for GME Trainees; Occasional “Seminar Blast” discussion sessions for Psychiatry Residents; and similar seminars, such as for OBGYN residents.

In the School of Law

2008-present Courses teaching or taught in the past (in general, I teach four credits per academic year): Bioethics and the Law, Law and Ethics of Reproduction (cross-listed as 4th year medical student elective and with Public Health Sciences), Topics in Law, Medicine, and Society (cross-listed as 4th year medical student elective); Law and Ethics of Human Subjects Research, recently renamed Law of Human Experimentation (cross-listed in School of Nursing), Disability Law, Legal Issues at the End of Life, Regular Guest lecturer in Aging and the Law (until 2015, when course last taught); Interprofessional Seminar in Ethical Values; participation in 2014 J-Term Israeli Health Law and Bioethics course (in Tel Aviv).

In the College of Arts & Sciences or Public Health Sciences

2015-present Bioethics Internship—Health Policy and Administration (innovative advanced undergraduate and graduate 3-credit spring seminar with 10-12 placements in the health system), HHE 5700-001/LAW 9236 (cross-listed in the School of Law, designed as a “professional skills course”)

2016-2019 Money, Medicine, and Morals (formerly “The Law and Ethics of the Business of Health Care,” PHS 7559 (created graduate course in Public Health Sciences; redesigned in weeklong Center for Teaching Excellence summer course at UVA)

2010 & 2011 Foundations of Bioethics; Clinical Ethics (graduate level 3-credit seminars)

2009-2016 Every other year, 3-credit seminar in Research Ethics and Regulation, PHSE 7650 (combining nursing PhD, Law, and MPH students)

2014-present Annual guest lectures in typically two or more courses in research ethics, including BIMS program and other required introduction to research courses; Capstone Human Biology course.

Supervised Independent or Directed Research (UVA) or similar

2022-2023 Co-advisor of Center Hook Scholar Ruja Parikh on reproductive ethics/law summer project.

Co-advisor for S.J.D. (LAW) student Liang-How Sie, on thesis project on parental responsibility and epigenetics.

2021-2022 Interview subject on gene editing and intellectual disability for final website project for UVA Computational Biology students Justin Ngo and Emily Franklin.

Advisor/interview subject on pharmaceutical pricing ethics for University of Virginia’s Synthetical Biology iGEM Team for Giant Jamboree international competition.

(MED) Seth Tersteeg, MSSRP Hook Scholar, on prenatal testing and termination rates for fetuses with Down syndrome.

(LAW) Madison White, on legal responses to substance use and pregnancy.

(LAW) Sami Ghanem, on antitrust responses to medical residency match program.

(LAW) Katie Kramer, on common law responses to research without consent (research assistant and co-author relating to NIH grant project)

Mentor for and co-author with Center intern, Jordan Taylor, on project relating to common law responses to research without consent.

Co-advisor for S.J.D. (LAW) student Liang-How Sie, on thesis project on parental responsibility and epigenetics.

2020-2021

Informal mentor for Law student, Christian Sorensen, for paper on preimplantation genetic diagnosis (first-place winner of 2021 Virginia State Bar, Health Law Section, paper contest)

Advisor to College of Arts and Sciences Echols Scholar Yasmeeen Refai

(HHE) Independent Research Study, Mary Davis, on health system policies for ethics committees and ethics consult services (with Donna Chen)

(MED) Seth Tersteeg, MSSRP Hook Scholar, on prenatal testing and termination rates for fetuses with Down syndrome.

2019-2020

Advisor to College of Arts and Sciences Echols Scholar Yasmeeen Refai

(LAW) Independent Research Study, Drew Calamaro, on a vaccine mandate through the Real ID.

(LAW) Independent Research Study, Stephen Paul, on causation challenges in clinical research negligence claims; resulting in published *Virginia Law Review* Note, "Proving Causation in Clinical Research," 2022.

(LAW) Independent Research Study, Sarah Iacomini, on constitutional law challenges to the Organ Procurement Transplantation Network.

(LAW) Externship Paper Advisor, Ashley Ridgway, on violence and slaughterhouses in connection with externship with People for the Ethical Treatment of Animals.

(LAW) Directed Research, Kaitlin Cottle, on hospital policies regarding coercive medical interventions on pregnant women.

(MED) Adrienne Doebrich, MSSRP Hook Scholar, "Disability Conscious Medical Education."

(MED) Will Wey, MSSRP Hook Scholar, research, design, and planning of a mobile application for individuals to engage in public, participatory writing.

Work-study supervisor for Victoria Bourgeois-Osborne, MPH student working with Center for Health Humanities and Ethics

2017-2018

(LAW) Independent and Directed Research, Hilary Turner, J.D. candidate, on women's health and abortion (co-authored law review article).

- Fall 2017* (PHS) Independent Research, undergraduate student Morgan Carter, "The Deep Disparities of Unintended Pregnancies: A Case for Women's Health and Reproductive Empowerment," published in *Virginia Journal of Bioethics*, an online journal, 2017.
- Fall 2017* (PHS) Independent Research, undergraduate student Jesse Persily, "The Case of Hannah Capes: Medical Triggering Conditions and a Patient's Wishes," (supervised with Mary Faith Marshall, Ph.D.) (co-authoring article in submission).
- 2016-2017* (LAW) Directed Research--supervised two law students, Maggie Cleary and Krista Alford, preparing an amicus brief in a Virginia disorders of consciousness case (filed).
- 2016-2017* (A&S) Mentor for Human Biology Capstone Project, undergraduate student Alana Castro-Gilliard; topic: Physician's Understanding and Opinions on Prescription Drug Pricing.
- Fall 2016* (PHS) Independent Research, undergraduate student Adetokunbo (Toksie) Goncalves; topic: Medicalization of Poverty.
- Spring 2014* (LAW) Independent Research, law student Paul Sung; topic: Ethical Critique of Medical Malpractice "Reform").
- 2014-15* Independent Research co-taught with Donna Chen, undergraduate students Eleanor Muse and Alika Johnston; topic: the informal curriculum in medical education and professionalism, co-authored article, "What Medical Students Teach: The Healing Skill of Being a Team Player, currently submitted.
- 2013-2014* Year-long supervision of independent research project with 4th year medical student Jonathon Reynold; topic: Compensation for Research Injury.
- Spring 2011* (PHS) Independent Research, nursing Ph.D. student Todd Borchers, on independent study of end-of-life law and ethics.
- Fall 2009* Co-Mentor for Public Policy Capstone Project, graduate student Katherine Read, "Children Enrolled in Parents' Research: A Uniquely Vulnerable Group in Need of Oversight and Protection, later published in *IRB: Ethics & Human Research*, 2013.

Other Teaching Initiatives/Distinctions

Participant in week-long Course Design Institute offered by the University of Virginia Center for Teaching Excellent, June 2018.

Co-creator and organizer of *Health Screenings: Bioethics, Public Health, and Law at the Movies* (2012-2015; interdisciplinary series of hosted movie screenings and faculty-led discussion)

Active participant in the Health Law Association for students at the School of Law (created similar student Health Law Association at FSU College of Law prior to appointment at UVa)

Student paper winners:

In 2021, a law student won the top prize given by the Virginia State Bar for its health law paper contest for a paper written for Bioethics and the Law (topic: Preimplantation Diagnosis).

In 2020, a law student won the top prize given by the Virginia State Bar for its health law paper contest for a paper written for Topics course.

In 2019, three law students from my law courses won the top three Health Law Competition Prizes given the Virginia State Bar.

In 2008 and 2009, two law students won first prize (\$4000 and journal publication) in the Annual Health Law Writing Competition sponsored by Epstein, Becker & Green, P.C., on the basis of papers written for my seminars in Bioethics and the Law and Legal Issues at the End of Life.

Educational video interview for Medical Justice, on informed consent, November 2010.

Teaching at Semester at Sea, 2015

Faculty member on semester-long University of Virginia-sponsored program for 600+ undergraduates, visiting 12 countries. Taught Bioethics in a Global Perspective, Global Business Ethics, and International Law.

Teaching Prior to Joining the UVa Faculty in 2008

Law school courses taught at Florida State University College of Law included Health Law and Policy (survey); Law and Medicine (medical liability); Bioethics and the Law; Contracts I & II; Professional Responsibility (Legal Ethics); Legal Issues at the End of Life; Genetics, Ethics & Law; Human Rights Litigation. Annual guest lectures on informed consent at the Florida State University School of Medicine. Nominated for University teaching award on the basis of student evaluations, 2008.

D. Other published works

1. **Shepherd, L.** Comment on the Department of Health and Human Services (HHS) Notice: [Notice of a Department of Health and Human Services Public Meeting and Request for Comments on Matters Related to the Protection of Human Subjects and Research Studying Standard of Care Interventions](http://www.regulations.gov/#!documentDetail;D=HHS-OPHS-2013-0004-0043), August 26, 2013, available at <http://www.regulations.gov/#!documentDetail;D=HHS-OPHS-2013-0004-0043>
2. **Shepherd, L.** Rationing health care at the end of life. White paper commissioned by the Miller Center of Public Affairs for its national, televised debate on rationing health care at the end of life, Mar. 24, 2010 (electronic publication, http://web1.millercenter.org/debates/whitepaper/deb_2010_0324_life.pdf.)

E. Other writing of note

1. Amicus Brief filed in 2017 with the Virginia Supreme Court in *Capes v. Kim*, a case on appeal involving the question of withdrawing life-sustaining treatment. (Brief prepared together with two law students through directed research.)

XIV. INVITED LECTURES, SYMPOSIUMS, AND PRESENTATIONS

2023

Moderator and Panelist, “IRB Review of Research Involving AI,” 17th Annual Virginia IRB Consortium Conference: Ethical AI in Human Subject Research: Balancing Progress and Protections, November 3, 2023.

“The Ethics of Dying” Symbozium, invited panelist, community event (over 250 attendees) sponsored by the Bozeman Library Foundation, Bozeman, Montana, May 24, 2023.

“Ethical considerations in caring for patients with neurological disorders,” three-hour LEND (Leadership Education in Neurodevelopmental and Related Disabilities) Seminar, with Julia Taylor, March 3, 2023.

“Roe, Dobbs, and the Future of Healthcare,” GME Institutional Lecture Series, University of Virginia School of Medicine, January 11, 2023.

2022

“An Ethics of Welcome,” 34th European Conference on Philosophy of Medicine & Health Care, Warsaw, Poland, August 27, 2022 (was unable to attend due to temporary disability)

“Aging and End-of-Life Decision-making,” Presentation/workshop for “Attitudes Towards Aging” conference hosted by Students for Global Health-Bristol, United Kingdom, March 26, 2022.

2021

Guest speaker, “Introduction to Research Ethics,” nanoSTAR Summer Program for Entrepreneurial Nanoscale Engineering, June 14, 2021.

“Ethical considerations in caring for patients with neurological disorders,” three-hour LEND (Leadership Education in Neurodevelopmental and Related Disabilities) Seminar, with Adrienne Doebrich and Julia Taylor, December 3, 2021.

Moderator for panel on Texas S.B. 8 (abortion law) for If/When/How and other student organizations, UVA Law School, September 29, 2021.

“Future of Abortion Law,” response to Clarke Forsythe’s “Stare Decisis, Settled Law, and Roe v. Wade,” Federalist Society Event, Florida International University College of Law, March 26, 2021.

“Drug screening and reporting of pregnant patients—what can/should/must providers do?” University of Texas, Dell Medical School Women’s Health Grand Rounds, March 18, 2021.

2020

“Introduction to Public Health Ethics,” Presentation for Virginia Department of Health Environmental Managers, November 19, 2020 (held virtually).

Response to Josh Craddock, "Does the Fourteenth Amendment Prohibit Abortion," forum sponsored by the UVA Student Chapter, Federalist Society, October 20, 2020.

Paper presentation, "Common Law vs. Common Rule: What Judicial Scrutiny of Modified Consent Processes Might Mean for Emerging Research Practices," American Society of Bioethics and Humanities, October 15, 2020 (held virtually due to COVID-19).

Panelist, "Vaccine Mandates," UVA Health Law Association, September 23, 2020.

Moderator, Shaping Justice Conference, panel on reproductive rights and justice, UVA Law School, February 7, 2020.

2019

Moderator, Shaping Justice panel on reproductive rights and justice: *June Medical*, UVA Law School, November 7, 2019.

"How Much Does Consciousness Matter: The Case of Hannah Capes," Paper Presentation at the Annual Meeting of the American Society of Bioethics and Humanities, Pittsburgh, Pennsylvania, October 25, 2019 (co-author David Lapidus was main presenter).

"What Medical Students Teach: The Healing Skill of Being a Team Player," Flash Presentation at the Annual Meeting of the American Society of Bioethics and Humanities, Pittsburgh, Pennsylvania, October 26, 2019 (co-author Donna Chen was main presenter).

Moderator, Legal Panel at Virginia Animal Law Society's and Animal Justice Advocate's Progressive Science & Animal Rights Symposium, Charlottesville, Virginia, October 11, 2019.

"Organ Procurement," presentation for student Transplant Ethics Interest Group, April 24, 2019.

"Regulation of Abortion Practice and its Effect on the Health of Low-income Women," A CAARE Research Table Webinar (one hour long), Mar. 21, 2019.

Panelist, "62 Days" Screening: Brain Death and Pregnancy, sponsored by University of Virginia Center for Biomedical Ethics and Humanities, the Division of Transplant, and the Department of Neurology, Feb. 7, 2019.

2018

"The Pre-Existing Condition of Womanhood," Third Annual Reproductive Ethics Conference, Albany Medical College, Albany, New York, April 13-14, 2018 (with Hilary Turner, J.D. candidate).

Fusion Seminar, Reproductive Rights, UVA Center for Biomedical Ethics and Humanities, June 6, 2018.

2017

Mark A. Nordenberg Lecture in Law, Medicine, and Psychiatry, "How Reproductive Rights Have Failed Women and What to Do About It," University of Pittsburgh School of Law, November 9, 2017.

“Organ Procurement Now: Does the U.S. Still Opt In?” University of Pittsburgh Center for Bioethics and Health Law, November 10, 2017.

“From Choice to Health: Shifting the Focus in Abortion Rights,” presentation at Scholars Day of “The Medicalization of Poverty” Conference, Champaign-Urbana, Illinois, November 3, 2017.

Co-convener, organizer, and moderator, “Medicalization of Poverty” Conference, Champaign-Urbana, Illinois, November 3, 2017 (two-day conference, 30+ speakers, 300 attendees).

Panelist on Research Ethics Challenges, Association of Clinical Research Professionals (ACRP) Fall Symposium Ethics Panel, University of Virginia, October 27, 2017.

“Respecting Patient Wishes: Navigating the Alphabet Soup of Forms—DNR, DNAR, DDNR, POST Forms, Eastern State Hospital, Williamsburg, Virginia, September, 2017.

“Introduction to Research Ethics and Informed Consent” and “Human Research Ethics and Informed Consent” for educational program sponsored by University of Virginia School for Continuing and Professional Studies for Shanghai Municipal Food and Drug Administration. February, 2017.

2016

“Contracting Around Death: What’s Not to Like,” presentation for University of Virginia Business Ethics Society, October 19, 2016.

“Checking, Unchecking, No Box,” Virginia IRB Consortium, Charlottesville, Virginia, September 30, 2016.

“Informed Consent for CER Should Include Risks of Standard Care,” Thomas A. Pitts Lectureship in Medical Ethics, Institute of Human Values in Health Care, Medical University of South Carolina, April 8, 2016.

Response to Stephen Gilles’ “The Living Constitutionalist Case Against the Right to Elective Abortion, University of Virginia Law School Student Legal Forum, March 2016.

“Principles and Prenatal Testing: Two Cases,” Disability Across the Disciplines Conference, Charlottesville, Virginia, February 19, 2016.

2015

“Should Judges Follow the Law?” Semester at Sea Voyage Seminar on Trans-Atlantic Slave Trade, November 2015.

“The SUPPORT Trial and Learning Health Care Systems--What were (are) they thinking?” Panel Co-Chair and Presenter, American Society of Law, Medicine, and Ethics, Annual Health Law Teachers’ Conference, Saint Louis University School of Law, St. Louis, Missouri, June 6, 2015.

Professionalism Today: Teamwork and Other Relationship-Centered “Healing Skills,” Academy for Professionalism in Health Care 3rd Annual Conference, Louisville, Kentucky, May 7, 2015 (with co-presenters Donna Chen, Eleanor Muse & Alika Johnston).

Seminar, "Recent research ethics controversies and what they mean for comparative effectiveness ('outcomes') research," Rehabilitation Institute of Chicago, February 2015.

2014

"Advance Care Planning: Is It All It's Cracked Up to Be?" Piedmont Liability Trust Seminar, December 2014.

"Ethical and Legal Underpinnings in Donation and Transplantation," UVA Medical Center's Donation Mini Collaborative, Charlottesville, Virginia, November 2014.

Children's Mercy Hospital Bioethics Center Webinar: Consent and Standard of Care: What Must be Disclosed (and How the SUPPORT Trial Got it Wrong), Kansas City, Missouri, November 7, 2014.

Seminar, "Consent and Standard of Care: What Must be Disclosed (and How the SUPPORT Trial Got it Wrong), University of Virginia School of Medicine Clinical Trials Office, October 2014.

"Welcome, Healing, and Ethics," Presentation for Symposium, "Relationship-Centered Health Law and Ethics" sponsored by Wake Forest University Law Review, Winston-Salem, North Carolina, October 2014.

Grand Rounds, "Advance Care Planning: Is It All It's Cracked Up to Be?" University of North Carolina School of Medicine, May 2014.

Discussion Leader following screening of "Lives Worth Living," Disabling Normalcy Symposium, February 2014.

2013

Panelist, Film Screening of "In the Family" sponsored by Center for Biomedical Ethics and Humanities, Institute for Practical Ethics and Public Life, and the UVA Cancer Center's Breast Care Program, University of Virginia, Nov. 6, 2013.

"Breaking News Panel: The SUPPORT Trial," American Society of Bioethics and Humanities, Annual Meeting, Atlanta Georgia, Oct. 2013.

"The End of End of Life Law (and Ethics), Paper Presentation, American Society of Bioethics and Humanities, Annual Meeting, Atlanta Georgia, Oct. 2013.

"The End of End of Life Law (and Ethics)," University of North Carolina School of Law, Oct. 2013.

Respondent, Medical Center Hour, to lecture by Tobin Siebers, "In the Name of Pain," Oct. 2013.

"Gen-ethics—Applying Bioethical Concepts to Genetics and Genomics," Third National Conference on Genetics, Ethics, and Law, University of Virginia, May 2013.

2012

“The End of End of Life Care,” Blue Ridge Health Law Professors Society, Wake Forest School of Law, Dec. 2012.

Respondent to Stephen Smith , “End-of-Life Decisions: Ethics, Law, and Policy,” Institute for Practical Ethics, UVA, Dec. 2012.

“Lessons Learned from the Terri Schiavo Case,” Continuing Medical Education for Research Coordinators, UVA Clinical Trials Office, Nov. 2012.

Respondent and Moderator, “Improving Patient-Physician Communication about End of Life Care: Is Virginia Ready for POST?” Medical Center Hour, UVA School of Medicine, Oct. 17, 2012.

“Evaluating Psychological, Social or Legal Risk in Community Engaged Research: How Do We Protect Communities from Exploitation,” with Donna L. Chen, South Atlantic National Research Conference on Engaging the Community for Research Success: What Scientists and IRBs Need to Know, March 21-22, 2012.

Panelist, “The Contraception Mandate,” Student Legal Forum, Mar. 19, 2012.

Faculty Presentation, “In Plain Sight: A Simple Solution to a Fundamental Challenge of Human Research,” UNC Law School, February 2012.

2011

“Gen-ethics,” Research Coordinators Group, Clinical Trials Office, University of Virginia, Nov. 17, 2011.

“Civil Rights and Aging,” Temple Law School, Oct. 22, 2011.

“Certificates of Confidentiality,” Regional IRB Consortium, Oct. 14, 2011.

“In Plain Sight: A Simple Solution to a Fundamental Challenge of Human Research,” Drexel Law School (scheduled for Oct. 6, 2011).

“Introduction to Genetics and Bioethics” Second National Conference on Genetics, Ethics and the Law, University of Virginia, June 1, 2011.

“Reasonable Limits to Autonomy at the End of Life,” Carillion Clinic Annual Spring Ethics Workshop, Carillion Hospitals of Roanoke, Va., May 24, 2011.

“If That Ever Happens to Me: Making Life and Death Decisions After Terri Schiavo,” Colonnade Club, Charlottesville, Virginia, March 29, 2011.

“Patient-Centered Health Law—Anything to It?” Annual Health Law & Ethics Colloquium/Workshop, University of Virginia School of Law, February 11, 2011.

“Recruiting, Informed Consent, and Therapeutic Misconception: Where Do the Problems Lie?” Association of Clinical Research Professionals, Central Virginia Chapter, Charlottesville, Virginia, January 27, 2011.

2010

Co-organizer, Moderator and Presenter, Conference, "Patient-Centered Law and Ethics," Wake Forest School of Law, Winston-Salem, North Carolina, April 15-16. (The report of this conference appears in an issue of Volume 45 of the *Wake Forest Law Review*.)

"The Schiavo Case," Wake Forest Law School, guest lecturer for Bioethics and the Law, April 14, 2010.

"Physician Aid-in-Hastening Death," William & Mary Law School, guest lecturer for Bioethics and the Law, April 19, 2010.

"Writers Under the Same Roof," Virginia Festival of the Book panelist. Charlottesville, Virginia, March 19, 2010.

Moderator, Virginia Festival of the Book presentation by Virginia Morris on "Our Parents, OurSelves, The Later Years." Charlottesville, Virginia. March 19, 2010.

"Trends and Troubles in Advance Care Planning and End of Life Law," Developing Skills for Healthcare Ethics Programs, University of Virginia, March 18, 2010.

2009

"Reasonable Limits to Autonomy at the End of Life," Columbus School of Law. Washington, D.C., November 11, 2009.

"Health Care Reform Panel: Policy, Economics and Ethics," Miller Center of Public Affairs Public Service Fellows program (panelist). University of Virginia, Charlottesville, Virginia, October 29, 2009.

"Are We Misunderstanding Advance Directives in End of Life Care?" University of Virginia, Charlottesville, Virginia. (Medical Center Hour Responder), October 28, 2009.

"Top 10 Legal Updates," American Society of Bioethics and Humanities Annual Meeting. Washington, D.C., October 15, 2009.

"If That Ever Happens to Me: Making Life and Death Decisions after Terri Schiavo," Miller Center of Public Affairs, University of Virginia, Charlottesville, Virginia, September 28, 2009.

"The Role of Law in Bioethics," Developing Skills for Healthcare Ethics Programs, University of Virginia, Charlottesville, Virginia, March 12, 2009.

"'Gen-ethics' or Just Plain Old Ethics," Genetics, Ethics, and Law Conference, University of Virginia School of Law, Charlottesville, Virginia, May 26, 2009.

"Challenging Legal Barriers to Experimental Treatment," Ethics, Law and Policy Lunch Series sponsored by the Program in Ethics & Policy in Health Care, University of Virginia, Charlottesville, Virginia, April 2, 2009.

"If That Ever Happens to Me: Making Life and Death Decisions after Terri Schiavo," sponsored by the Health Law and Policy Initiative, Virginia Commonwealth University, Richmond, Virginia, April 1, 2009.

"If That Ever Happens to Me.: Making Life and Death Decisions after Terri Schiavo," Medical Center Hour, University of Virginia, Charlottesville, Virginia, January 28, 2009.

2008

"Splitting Souls and Bodies in the Magical World of Harry Potter," Annual Meeting of the American Academy of Religion, Chicago, Illinois, November 2, 2008.

"'I'll Haunt You for the Rest of Your Life': Minimally Conscious with Major Complications," Faculty workshop, Hofstra Law School, Hempstead, New York, October 20, 2008.

"If That Ever Happens to Me," Joyce Compton Brown Lecture. Gardner Webb University, Boiling Springs, North Carolina, March 2008.

"Universal Health Care," Moderator and Presenter, Panel sponsored by Health Law Society of Florida State University College of Law, Tallahassee, Florida. February 27, 2008.

"Responsibility in Bioethics and Law," Faculty workshop, Center for Biomedical Ethics and Humanities, University of Virginia, Charlottesville, Virginia. February 14, 2008.

2007
