## HOW TO USE THIS CARD

1. On the other side, list all the medications you take. Include your prescription medicines, over-the-counter products, vitamins and herbals, skin patches, and birth control.
2. Keep the card up to date. Use a pencil so you can make changes.
3. Fold on dotted lines. Take the card with you every time you go to a clinic, hospital, or visit any health care provider. Show the card to your HCP so they can help you avoid problems.

**NEED HELP?** If you make a mistake with medicine or are having any problems with your medicine, you can call The Blue Ridge Poison Center for help. Experts are standing by 24 hours a day, every single day, and they will tell you exactly what to do. The call is free and private. **1-800-222-1222.**

**Scan this code** to dial or to save the number in your smartphone.
