

Blue Ridge Poison Center

Home Safety Checklist

- ☐ Medicines, cleaning products, pesticides, alcohol, and all household chemicals are kept up high, out of the sight and reach of children.
- ☐ Adult products such as cannabis (marijuana) edibles, nicotine and tobacco products, and alcohol are kept up high, out of the sight and reach of children.
- ☐ All of the above are stored in their original containers--not in dishes or containers used for food and drink.
- ☐ Cleaning products are never mixed together. This could make a poisonous gas.
- ☐ My family always follows instructions when taking or giving medicine. (Remember: more is not better!)
- ☐ My home has carbon monoxide alarms on every level, and batteries are replaced yearly.
- ☐ All expired, unwanted, or leftover medicines have been safely discarded. (Visit www.fda.gov for instructions)
