DATE: 09/20/2019
LOCATION: Education Resource Center Auditorium
TIME: 12:00 – 12:15 Pick Up Lunch
12:15 - 1:15 Department Update/Grand Rounds Lecture

TITLE: “Updates on Vaping – Policy and Health Implications”
Speaker: Gary Ewart, Dr. Drew Harris & Dr. Chris Holstege

For CME and MOC go to: https://med.virginia.edu/cme/learning/uvarss/medgrmoc/

LEARNING OBJECTIVES:
1) Appreciate that vaping products are diverse and rapidly changing and therefore hard to study.
2) Recognize that the epidemiologic trend in EC use is unprecedented and demands our attention as health care providers.
3) Understand that health harms of EC use are incompletely understood but the potential for harm is real.
4) Learn about the scope (and limitations) of the FDA’s authority to regulate tobacco products

QUESTIONS:
1) In 2019 in the US, approximately 1 out of ____ 12th graders have vaped in the past 30 days.
   a) 10
   b) 4
   c) 2

2) True or False. Although the flavorings in Electronic Cigarettes maybe toxic, the solvents (glycerin, propylene glycol) in e-liquids (“juice”) are Generally Recognized as Safe (GRAS) by the FDA and do not cause pulmonary toxicity.

3) True or False – All the vaping associated pulmonary injury case are a result of e-cigarettes laced with marijuana derivatives.

4) The Family Smoking Prevention and Tobacco Control Act give the Food and Administration authority over which tobacco products
   a) Cigarettes
   b) Hand rolled cigars
   c) e-cigarettes
   d) smokeless tobacco
   e) hookahs
   f) all of the above

5) The Family Smoking Prevention and Tobacco Control Act gives the FDA the authority to regulate which aspects of tobacco products
   a. Ingredients
   b. Labeling
   c. Warning labels
   d. Nicotine level
   e. Manufacturing processes
   f. Advertising
   g. All of the above
**DISCLOSURES**: Gary Ewart is a full time employee of the American Thoracic Society and has stock ownership in Pfizer.

Drs. Harris and Holstege have no professional financial relationships with a commercial entity producing healthcare goods and/or services.
