“Early Detection for Everyone: Has the ACA Helped Improve Access to Cancer Screening?”

Wednesday, December 9, 2015

12:00 – 1:00pm

Old Jordan Auditorium 1-5

Disclosures: Will come at a later time

CME Learning Objectives

1. Review problems leading to policy reform for coverage of preventive services
2. Review the changes to cancer screening coverage mandated by the ACA
3. Brief update on current recommendations for Colon, Breast, and Lung Cancer
4. Review early results of policy changes to increase screening rates
5. Discuss future directions for improving access to screening

The University of Virginia School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Virginia School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Virginia School of Medicine awards 1.0 hours of participation (equivalent to AMA PRA Category 1 Credits™) to each non-physician participant who successfully completes this educational activity. The University of Virginia School of Medicine maintains a record of participation for six (6) years.
