“ZIKA: THE SCIENCE AND THE SITUATIONS”

Wednesday, October 12th, 2016

12:30 – 1:30pm

Change of Location

Jordan Conference Center Auditorium

Disclosures:

Speaker Dr. Petersen has no personal or professional financial relationships with a commercial entity producing healthcare goods and/or services.

Planning Committee: Gerald Donowitz, MD, Ross Buerlein, MD, Peter Liu, MD, Erin McLoughlin, MD, and Annie Smith, MD; do not have any personal or professional financial relationships with commercial entities producing healthcare goods and/or services.

Learning Objectives:

This 2016 Hayden-Farr Lecture by Dr. Lyle Petersen, Incident Manager for Zika Response at the Centers for Disease Control and Prevention, is an update on Zika—the science and the medical, public health, environmental, and ethical implications that make this disease an urgent global challenge.

Co-presented with the Department of Medicine and the Office of the Hospital Epidemiologist, UVA Health System

The University Of Virginia School Of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University Of Virginia School Of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University Of Virginia School Of Medicine awards 1.0 hours of participation (equivalent to AMA PRA Category 1 Credit™) to each non-physician participant who successfully completes this educational activity. The University Of Virginia School Of Medicine maintains a record of participation for six (6) years.
