University of Virginia Health System

“Vascular Medicine: Core to Quality Vascular Care and Updates on Approach to Venous Thromboembolism in 2016”

Wednesday, October 26th, 2016

12:00 – 1:00pm

Pinn 1-5 (Formally Jordan)

Disclosures:

Speaker Dr. Sharma has no personal or professional financial relationships with a commercial entity producing healthcare goods and/or services.

Planning Committee: Gerald Donowitz, MD, Ross Buerlein, MD, Peter Liu, MD, Erin McLoughlin, MD, and Annie Smith, MD; do not have any personal or professional financial relationships with commercial entities producing healthcare goods and/or services.

Learning Objectives:

1. Review basics of vascular medicine and its role in the medical community nationally.
2. Review evolution in the management of venous thromboembolism including identifying low risk patients for home therapy as well as consideration for endovascular and surgical therapies for venous thromboembolic disease.

The University Of Virginia School Of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University Of Virginia School Of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University Of Virginia School Of Medicine awards 1.0 hours of participation (equivalent to AMA PRA Category 1 Credit™) to each non-physician participant who successfully completes this educational activity. The University Of Virginia School Of Medicine maintains a record of participation for six (6) years.
