

Title of Session * * Total number of hours allotted for each topic is represented, but these hours may be split over different presentations over several weeks.	Type of Didactic Session (e.g. curricular, administrative seminar, journal review, M&M, research seminar)	Hours Allotted for Session	Individual(s) Teaching Session (e.g. EMS Faculty, EMS Fellow, EM Faculty, Other)
EMS medical direction overview	Didactic	2	EMS faculty
History of EMS	Didactic	1	EMS faculty
EMS system designs	Didactic	2	EMS faculty
EMS dispatch fundamentals	Didactic	3	EMS faculty
Medicolegal issues in EMS	Didactic and case studies	4	EMS faculty, other
Disaster planning and response	Didactic and experiential	4	EMS faculty
Multi-casualty care	Didactic and experiential	2	EMS faculty
Special events medical management	Didactic and experiential	2	EMS faculty
Wilderness medicine response	Didactic and experiential	5	EM faculty
Hazmat response	Didactic seminar	8	Other
Special response considerations	Didactic	4	EMS faculty
Evidence based medicine for EMS protocols	Didactic and computer based	4	EMS faculty
Research conference, data management, statistical analysis and basics of epidemiology	Research seminar	6	EMS faculty, EM faculty
EMS system financing	Didactic and case studies	4	EMS faculty, other
Tactical response issues	Didactic and simulation	4	EMS faculty, other
EMS provider levels and scope of practice	Administrative seminar	2	EMS faculty
EMS provider wellness	Didactic	3	EMS faculty
System status management programs	Didactic	1	EMS faculty, other
ICS system	Computer based	4	Other
Integrating public health and EMS	Administrative seminar	2	EMS faculty/public health faculty
EMS rules and regulations	Administrative seminar	2	Other
EMS provider training programs and accreditation	Didactic	3	EMS faculty, other
Air medical program considerations	Didactic	4	EMS faculty
Political pitfalls in medical direction	Didactic	8	EMS faculty
Medical Direction	Didactic	12	EMS faculty
Quality improvement programs/ design and practice	Didactic and experiential		EMS faculty/other
Journal Club	Journal reviews	6	EMS fellow and EMS faculty
Controversies in EMS medicine	Didactic	4	EMS faculty
Procedural skills inherent in EMS	Simulation and hands on	12	EMS faculty, other
EVOC training	Didactic and hands on	8	Other
