Notes:

The Cost of Attendance Budget determines the maximum amount of financial aid, including all scholarships and loans, that you may receive in an academic year. Most students find they do not need the maximum amount of aid – particularly students who have any family assistance, are on a family health insurance plan, and/or are good at budgeting.

The Financial Aid Office does not determine in-state/out-of-state status. For questions regarding state residency, please contact the Office of Virginia Status at 434-982-3391 or vastatus@virginia.edu.

The health insurance amount above is an estimate of the Aetna student health insurance premium for UVA for the upcoming year. The exact amount is published in the summer. All students must either show proof that they have their own insurance plan or purchase the University's student plan. Students who have the University-sponsored plan must pay the premium in full by the end of October through SIS. Please see www.studenthealth.virginia.edu/insurance for additional information.
