of VIRGINIA

Generalist Scholars Program Presents:

## Primary Care Week

September 16 - 19, 2019

**Monday, September 16**      **12:00-1:00 PM**      **MEB\* Auditorium (3<sup>rd</sup> Floor)**

### Exposing the Opioid Epidemic with Region Ten

Learn about the opioid epidemic, its presence and effect on Charlottesville, and our role as future physicians through a panel discussion with Joey Usher and his expert team from Region Ten. A greater understanding of this epidemic is essential as you prepare for your future practice.

*Apples and Light Refreshments Provided*

**Thursday, September 19**      **12:00-1:00 PM**      **MEB\* Auditorium (3<sup>rd</sup> Floor)**

### Project ECHO: Expanding Access through Telemedicine

Hear about UVA's Project ECHO® (Extension for Community Healthcare Outcomes) which expands access through the distribution of medical knowledge in underserved communities. Telemedicine is changing the shape of rural health care allowing UVA to serve over 5,000 patients at 40 hospitals, clinics, schools, and other facilities in rural Virginia. Presenters: Kim Albergo and David Cattell-Gordon
