

## Hotel Accommodations in Charlottesville, VA

**\*\*Please note:** We recommend that visitors stay in a hotel within walking distance to the Medical Center. Parking near the hospital is expensive during the week (\$4 per hour). If you choose to stay at a hotel that is not within walking distance and will not have a car, be sure to ask specifics about what transportation is available to the Medical Center.

### **Other Options:**

The Inn at Darden—part of UVA Campus, near the Darden School of Business. Long walk (20+ minutes) across campus but can use the free University Transit Service bus.

Airbnb—Many of our participants have had good success using Airbnb or similar services. If you would like information on local neighborhoods, etc., please let us know.

### **Airport Transportation:**

Some hotels offer complimentary airport shuttle service—check with your specific hotel for details. For more information on transportation, visit the airport website at [www.gocho.com](http://www.gocho.com)
