Unit for Rent behind UVA Hospital!

We are two UVA professors offering our walkout basement-level apartment near Fifeville Park. It includes 2 bedrooms, 1 full bathroom off the master bedroom, 1 half-bath powder room. Because of the layout, the unit is not well-suited for roommates.

Washer and dryer. Central heat and air. Application and background check required. $1350 for one person, all bills paid (including electricity, water, sewer, and Internet); additional person considered with additional utilities fee. Sorry no pets and no smoking.

Available June 15, 2022, but may be available slightly earlier. Please inquire for more details including pictures and address at lsandkd@gmail.com.
