

1 Bedroom in a 2-Bedroom Apartment Close to UVA Hospital

I am currently a PGY-2 internal medicine resident, and my roommate is a surgery resident who is getting married in August (happy for him, sad for me) and thus moving out in early June this year. The unit is a 2-bedroom, 2-bathroom unit and you would be taking over his bedroom which has lots of natural light and an attached private bathroom.

There is an in-unit washer and dryer, a kitchen with modern appliances including a ceramic-top electric stove as well as stainless steel fridge and dishwasher. There is on-site covered garage parking as well. Mailboxes are located on the first floor with lockers for large packages.

The apartment is a 10-minute walk from the hospital and an even quicker bike ride, and a 10-minute walk from the football stadium. The Oakhurst Café is right next door and has a nice breakfast/brunch menu that is best appreciated after a night shifts.

Rent would be \$1,300 per month, which includes a parking spot (there is one spot for each of us). Tentative move-in time would be second week of June or later.
