

## Quick Reference Guide – Research Compliance Reference Report

The Research Compliance Reference Report provides up to date information about Investigators' status on the five compliance requirements for active researchers at UVA:

- 1) the annual [Significant Financial Interest \(SFI\) disclosure](#)
- 2) the quadrennial [Conflicts of Interest \(COI\) training module](#)
- 3) the annual [External Activities Disclosure \(EAD\)](#)
- 4) the one-time [Undue Foreign Influence \(UFI\) training module](#)
- 5) the one-time [Patent policy agreement](#)

Please utilize this report to review the status of your Investigators and assist them with proactively completing these requirements to avoid processing delays with Sponsored Programs transactions. To access the report:

- Navigate to the Finance stream (1) of the Qlik Sense Hub:
