    - Women in Medicine panels
    - Networking Panel
    - Match Day
  - 2018 Winter Retreat
    - Lands Down Resort in Leesburg
    - UVA Conference for students, alumni, and faculty
    - Poster session, CME sessions, Gala
    - Reduced price for students and meals provided for students
- South Asian Medical Student Association Club
  - Leaders: Amaal Bhaloo and Nitisha Lotun
  - Supporting Faculty Includes: Dr. Neeral Shah
  - Enable individuals who share this culture to discuss issues, with hopes to expand to discuss the problems and unique medical needs of members of this culture in the Charlottesville community
  - Events to include: Bollywood night, Chai night, cooking classes. Also hope to collaborate with other South Asian clubs in the law school business school and undergraduate school to celebrate upcoming festivals
  - The law and business school clubs have offered to provide initial funding for the club. Are not requesting any funding from Mulholland at this time.
  - Motion was passed.
- First year Winter Break Ski Trip
- Community Service Chairs
  - Camp Holiday 5k planning
    - Will begin planning over winter break.
  - Possible Holiday Food/Clothing Drive
    - Hoping to send out an email next week regarding drive for RAC.
- Mulholland Constitution Edits
  - New Goals
    - To maintain and encourage an atmosphere of camaraderie and diversity.
  - New position?
    - New Position: Graduate Biomedical Sciences (GBS) Representative
    - Possible New Position: Creation of a committee who would be responsible for a pre-med mentoring program, with VP as

- committee head. Will discuss further and come to consensus by Spring elections.
- Attendance Policy
  - If you're part of a bigger group (ATMS, SMEC, etc.) within Mulholland only need one individual from the group to present to monthly Mulholland meeting, with the assumption that these groups are holding regular meetings outside of the Mulholland monthly meetings so the information can be disseminated.
- Committee Confusion
  - Consider editing the constitution to clarify the "committees" that are referenced throughout the document. Specifically those committees which only meet on an "as needed" basis.
  - Ex. Community Service Chair is the head of the Community Service Committee, however constitution does not clearly explain this committee.
- CIO Funding
  - Assist Mulholland groups into becoming CIOs (essentially clubs) enabling them to receive funding from Student Council, in addition to Mulholland.
  - Aim is to alleviate how much Mulholland is providing to student groups, which would leave more funds for events such as EBSP
- Student Insurance Representative Position
  - This Representative modified their position's responsibilities in the constitution but was not present at the meeting to explain their reasoning.
  - Plan to approve changes at a future meeting.
