

Agenda:

- *Community Concerns*
- Aramark Updates
 - Matt and Scott from Aramark discussed some concerns about Supply 18/19. Currently volume through the stand is very minimal. ~\$200/day.
 - Suggestions about what other things they can provide to make it more popular
 - We suggested Less lunch foods and more breakfast foods (both hot and healthy options)
 - Something else they are considering is turning the stand into an Man-less/Automated stand that could be 24/7 and provide more options
 - As a whole, Mulholland would prefer to keep Troy. Part of culture at Vmed. Will likely send petition if needed
- New Mulholland Clubs
- Curriculum Committee Updates
 - Continuing to review classroom material
 - Currently reviewing the Pulmonary system
 - Also review the clerkships and the 4th year electives
 - Switching Heme/Onc and Endo Repro for 2018 winter
