- **Discussion and Brainstorming**
 - Community Concerns
 - [Article](#) and Administration's Response
 - Blocked enrollment for students
 - EPAs and the Entrustment committee
 - Recent emails to M3s about how EPAs can affect ACEs, lack of knowledge about this and about what the “entrustment committee” is
 - Lack of adequate information about EPAs and student input on them. M3s are worried about how remediation can affect their ACEs.

- Sarah: master assessors = entrustment committee. Two master assessors are paired per student and they read all the narrative feedbacks for each EPA and discuss whether remediation needs to be done
 - Need clarification on what the remediation is?
 - **FAQ document to come!** Let Sarah know if you have questions you would like to be included on this.
 - Open to the idea of students serving as representatives - could fit well into SMEC. Could also have a student vote on the entrustment committee (current standard: two student votes on academic standards committee).
- Law school first year Partnership: first year welcoming and social
- Hoos Focused: LD/ADHD students
 - Meetings, newsletter, mentorship between adolescents and college students. Also have an event in the spring with parents on how kids with LD/ADHD can be successful in higher ed.
 - If you think you have insight on this issue, email Sarah!
- [VMed](#) representatives
 - Open to all four years - reach out to Mark Moody if interested
- MSAC revitalization
 - MSAC will focus on administration + wellness
