GRIT: mission is to champion recruitment and retention of individuals from underrepresented/marginalized communities in the biomedical sciences and engineering departments

- in the final stages of crafting an email to department chairs urging them to improve representation amongst invited faculty speakers.
- reaching out to UVA SOM groups in hopes that some of you will help us by signing onto the initiative. If you are interested, please let me know and I will send you the finalized email in the next week or so for your perusal and hopefully organizational support.
- The next GRIT meeting is Wed, November 20th, 5:30PM, location TBD - it is open to ALL. I'll send more deets as I get them
