 - [Mulholland Meeting Minutes](#)
 - [Calendar](#)
 - Webmaster mentioned that the WordPress on the calendar is not working and is actively working on fixing this issue
 - [Mulholland Officers Contact Info](#)
 - Expectations:
 - Transition meetings and Google drives -- Ensure this happens within the next 2 weeks
 - Communication!!!!
 - Read the agendas & know if you're presenting ahead of time
 - Represent Mulholland and UVA SOM well
 - Support each other & have fun
 - Meeting etiquette: Be here! Be on time! Be succinct, but engage & share ideas!
 - Welcome to Dr. Densmore (Mulholland Advisor)
 - Appreciated the work that has been done to establish leadership positions for the SMD23 students leaving for INOVA as well as the work that SMD23 has done to assist SMD24 in their transition
 - Encouraged continued communication between classes as well with administration
 - Working on town halls for each of the classes (next SMD23 town hall scheduled for October 7)
 - Shared the Interview Day Schedule
 - Dr. Marzani's overview introduction
 - Virtual Tour
 - 1 hour with SMD21
 - 2 virtual interviews
 - Feel free to reach out to Dr. Densmore!
 - SMD23: pick up "Medical Student" badges at next anatomy lab
 - Welcome to Jill McKinley (MAA)
 - Jill introduced herself and gave an overview of the programs and activities offered by MAA
 - Reed Fund - psychiatric care free of charge for medical students
 - Taxi reimbursements for "Safe Ride" to and from school (can always just reach out and ask MAA about this)
 - Scholarships (many standing and available on their website, some that pop up)

Minutes - Wednesday, September 16th, 6:00pm - Zoom Meeting

- Collaboration with other student organizations
- Med Connect events to get students connected with alumni in their field of interest
- Kicking off a Student-Alumni Mentorship program
- Had planned the first UVA SOM Black Alumni reunion but had to postpone due to Covid; more details to follow as the situation unfolds
- Rick Green - 1970 alumni, MAA putting together a gift to thank him for his major contributions to the MAA and the Mulholland Society
- Jill was able to capture a screenshot of the meeting to share with Dr. Green
- Additional Resources shared by the MAA
 - Stethoscopes and white coats for M1s

Debriefs, Discussion, and Brainstorming

- Fall Elections
 - Had a slight issue with word counts/character counts in Google Forms
 - This was resolved by the Webmaster but needs to be considered during our next election cycle
- ATMS Remote Study Panel

Minutes - Wednesday, September 16th, 6:00pm - Zoom Meeting

- ATMS Big/Little Sibs “Event”
 - Planning for October 18 in the UVA Gardens
 - Have not reserved yet, but ATMS working on getting all the details sorted out
- Fall Gear Sale (Fundraising Chairs)
 - Back to school sale went well; everything ordered (possible arrival next week)
 - Patagonia maybe the end of October
- Fall/Winter Med Sports Leagues
 - Could low-contact sports like softball or kickball be an option?
 - These have been considered and are being worked on
- SMD23 Panel for SMD24 (Intro to M1, school/life balance, making friends etc)
 - Attendance was on the lower side
 - Might be helpful to distill this information into a resource that could be referenced later (or when students are troubleshooting their study techniques)
 - SMD23 can provide a study strategy document for reference
 - Could broaden the audience this information reaches if people were unable to attend the panel due to scheduling conflicts
- SMD22 Panel for SMD 23 (Logistics of preparing for Step 1 and M3 Clerkships)
 - Courtney (M3 president) will address this after completion of surgery rotation
- Recruiting new medical students (Amber wrote this, unfortunately can't be at the meeting but would love to hear thoughts! A group of 4th years are helping with virtual “tours” during interviews and Dr. Marzani wants videos, photos, etc of life in Cville)
 - Who runs the instagram page? Might be fun to do “instagram take-overs” like they do for residency recruitment
 - Dr. Marzani thought videos of a day in the life or walking downtown, hikes, etc
 - Any other ideas for how to best sell UVA and Charlottesville
 - Can check out @uvafamilymedicine or @uva.peds.residency to see what I'm talking about on instagram, they'll do story features then save them for later viewing and posts about why people love UVA
 - Kara will address this with the social media reps to make sure we are helping out Admissions with this idea
 - Dr. Densmore also made the request that we do whatever we can to help with recruitment given the loss of in person interviewing and the second look weekends
- FOM Summative
 - Difficult to adjust to the online learning environment but in good communication with the FOM faculty/system leaders
 - Dr. Noramly's study workshop was very helpful - might have been even more helpful earlier in the curriculum
 - Locations in library where students could work together in a safe/socially-distant environment would be very helpful
 - More structure about forming study groups and study habits could be helpful

Upcoming Events and Future Items

- **Faculty “Meet & Greet”**
 - Planning to give every attending their own Zoom link that they can host
 - Students can rotate to different Zoom meetings
- **Social Events? (Social Chairs)**
 - Considered doing more events similar to social orientation (small groups with socially distant activities), but open to suggestions
 - Difficult to get your name onto the list quickly enough - lottery system?
 - Softball or kickball games/groups could be appropriately socially distant

Minutes - Wednesday, September 16th, 6:00pm - Zoom Meeting

- Virtual trivia games?
- Feel free to reach out to Kayleigh Vance and Dylan McCaleb with additional ideas for social activities!

Community Concerns & Shameless Plugs

- **Panels / Events Calendar - Colby**

- There have been a lot of overlapping Zoom meetings/panels recently
 - Club leaders, please email dates/times/links of upcoming events to the Mulholland Secretary, Misky Sharif (mms2cm@virginia.edu)
 - If you have an upcoming *tentatively* scheduled event, you can also send the details to Misky, who can add the event to the Mulholland calendar and mark it as “tentative” to avoid potential scheduling conflicts

Future Mulholland Society meetings are currently all planned for 6:00 pm on the 3rd Wednesday of each month

- Wednesday, November 18th
- Wednesday, December 16th
- Wednesday, January 20th
