- We can't have food this time :-)

- Please sign in to the attendance sheet!
- ICEBREAKER

- Community Concerns and Shameless Plugs

- **DO YOUR ISA SURVEY**
- **Please volunteer for the instagram takeover**
- **Please add here**

- Updates + Debriefs

- Recaps
 - Winter Gala
 1. **Had lots of fun BUT there was a COVID outbreak**
 2. **Photobooth was subpar (not the backdrop)**
 - **Ring light didn't seem to hold up to last year's ring light**
 3. **Faux New Year's system worked out, which could potentially be used for next year's Winter Gala (if COVID is still around)**
 - Faux New Years
 1. No positive tests per survey but clearly need to improve system for reporting
 - Keeley Financial Meeting + UVA SOM Financial Office

1. Goal to make Mulholland finances more accessible and useful to students
 2. Huge breakthrough and realization about current bank account
 - **No one knew whose name was on the account and a lot of other really important details related to accessing money**
 - **Got the greenlight to close the current account and transfer to another**
 3. Misky and I (and future exec) are going to make this BETTER
 4. Opening Wells Fargo account ASAP
 - **Would give med students/organizations much more flexibility**
 - **Still working on creating this through the spring semester**
 - **New account that contains money that isn't spent during previous years can be stored here instead of magically disappearing**
 - **Can turn into lots of leftover money after many years of storing reserves here**
- Covid staffing opportunity
 1. Make \$ while helping UVA through a difficult period
 2. Four students in SMD22 for Emergency Department shifts
 - Student Housing doc
 1. I forgot but we will get on this ASAP
 2. **Danny/Joseph have already taken care of this - updated links are on the Mulholland website**
- Updates
 - LCME 4th year team
 1. **277 responses w/ 606 students overall**
 2. **Still have 2-weeks left, so hopefully get a rush of last minute responses**

- 3. **Chairs are going to be clearer about rewards very soon (orange beanies given to anyone who responds)**
- 4. **Also offering charity awards (sent out in an email already) for classes with +90% participation**
- 5. **“Guilt is a powerful force” ~ Steven Scherping**
 - Student Health Insurance Committee: second meeting is Feb 4th
 - 1. **Opportunity to ask about personal concerns about health insurance**
- Treasury Report
 - [December Treasury Report](#)
 - Please reach out if you have any questions :)

● Constitution Changes

- Addition of LCME Executive Council
 - LCME Executive Council (5) shall
 1. Be three student representatives from the class of 2023, one student from the class of 2024, and one student from the class of 2025. One representative from the class of 2023 must be from the Inova Campus.
 2. Serve as the primary point of contact for the student body, LCME, and UVA School of Medicine administration on matters related to the Independent Student Assessment (ISA).
 3. Serve as the primary editors of the ISA and author the executive summary.
 4. Select a diverse group of other students throughout the School of Medicine to assist in the completion of the ISA. Work with the assigned faculty advisor to allocate credit to fourth year students who make a meaningful contribution to the project.
 5. Work as needed to ensure the ISA is completed per the timeline request of the LCME.
 6. At least one representative shall attend each Mulholland monthly meeting and inform the Mulholland Society representatives about the status of the ISA and request any assistance regarding ISA completion.

7. Communication with their respective classes at large about the status of ISA, as needed.
- Addition of second Gym Manager
 - Najwa and Danielle
 1. **Although Zach makes it seem that way, Gym Manager seems to be at least a 2-person job. This is why Danielle and Najwa would like to add a second manager**
 2. **As Danielle is going to INOVA, it will make sure that students there have some gym management**
 - **No med-school specific gym at INOVA?**
 - **Gym management is currently run by the INOVA social chairs?**
 3. **Having two women run the gym would be “bad ass” ~ Najwa**
 4. **Currently more than two running for the gym manager in the election, so the two applicants who receive the most votes should get it**
 - The Gym Manager shall
 1. Be a student of any non-graduating class elected in the spring who will serve a one-year term.
 2. Ensure that the gym remains in good working use and is kept clean.
 3. Revise gym policies as needed, with help from the Society.
 4. Coordinate the use of the gym budget within the Society’s budget.

● New Club Voting

- Maggie/Lauren
 - **EEMSA - club focused on transgender patient healthcare issues and awareness**
 - Rural Health
 1. **Several students interested in rural health**
 2. **Long-term goal of establishing student run mobile clinic to serve rural communities**

3. **Have support from the virginia rural health association**
- **Narrative Medicine**
 1. **Club that will go into hospitals, talk with patients, and write their stories down**
 2. **Stories will be uploaded to their medical records, allowing healthcare providers to get an idea of the patients that they serve**
 - **Transgender Health**
 1. **Service club**
 2. **Worked with Dr. Kasey last semester to do a make-over session for transgender patients**
 3. **That was a one time event, so just looking to turn this into a club in order to have more similar events**
 4. **Aren't looking to join QMED because they're focused on supporting students here, not outreach**
 - **Inova Peds**
 1. **Hoping to bring those interested in pediatrics together, network with pediatricians in INOVA, and provide INOVA specific opportunities**
 2. **Afternoon lectures, partner with local organizations for volunteering opportunities (especially for refugee children in the area)**
 3. **INOVA clubs will be going through the same finance requests process as clubs here**
 - **MedBA**
 1. **Co-ed intramural basketball league for med students, friends of med students, and family**
 2. **Worth talking to 4th years who participated in the old "MED basketball" club before COVID to get more info about the rules and how that club was run**
 - **Desserts Club**

1. **Destress from med school through baked goods**
 2. **Will provide baked goods in the student lounge if they can't meet in person**
 3. **Will also run some food drives to help the local c-ville community**
- **Wine & Gyn**
 1. **Student led discussions to talk about women's health, not restricted to strictly OB/GYN topics?**
 2. **Probably targeted for clerkship-level students**
 - **Trauma Interest Group**
 1. **Difficult for students to get access to trauma care, usually only available during some overnight surgery rotations**
 2. **Speakers**
 3. **Critical skill sessions**
 - **Be The Match**
 1. **Give medical students an opportunity to volunteer with this organization, which runs the national bone marrow donation program**
 - **Telehealth Interest Group**

● **Discussion/Brainstorm**

- **Covid!**
 - **Issue with "UVA Staff Shortages" volunteer opportunity**
 1. **In regards to the clerical position, it seems like they're trying to pawn of a part-time job onto full-time medical students without any pay**
 2. **Trying to phrase it as an "experiential opportunity" to justify why we wouldn't get payment**
 3. **Concerned that this is UVA dipping their toes in the water to see if they can push us to cover more of their labor shortages for free**

- 4. **There are other community initiatives that would be better suited for medical students to participate in**
 - 5. **Dean Keeley seems to be on our side in regards to this issue, so she is the point of contact worth talking this over with**
- Inter-graduate program seminars/collaboration
 - Per Keeley, these used to exist for credit
 - Dr. Donna Chen restarting elective with Law Students
 - 1. **Timelines of semesters initially didn't line (trimesters for law students; 2-4 week rotations for med students), but they're trying to work past this**
 - Dr. Parsons interested in beginning an MPH collaboration course
 - Andrew Burns Medicine in the Courtroom opportunity
- Student member to the board of visitors - Brigitte
 - Application just opened
