It is important to remember the following items prior to your appointment:

- Leave jewelry and other valuables at home.
- Bring a driver’s license and your insurance card with you.
- Be sure to arrive at least 15 minutes early unless directed otherwise.
- If your test is a screening test that is not covered by insurance, please be sure to bring a check or credit card to pay in advance for the study.

- If you are unsure if your insurance is going to cover the costs of your study, please call them ahead-of-time.
- If you have your old x-ray studies, please bring them with you so that our Radiologist can compare them to your new study.
