

**The University of Virginia  
Department of Orthopaedic Surgery  
Supplemental Questionnaire for Residency Applicants  
2022**

In an effort to know more about you, we ask that you please complete the form below and submit it as a **4<sup>th</sup> Letter of Recommendation in your ERAS Application**. Please answer **concisely** (no more than **50** words per question). Your ERAS application will be considered incomplete without this form and will not be reviewed. If you certify your ERAS application with 4 LORs and attempt to go back later and add this as one of your 4 you will NOT be able to in ERAS. Please label this document in ERAS as “Supplemental – Last Name, First Name”.

**Deadline for uploading the ERAS Application WITH this Supplemental Form is midnight on Tuesday October 14, 2021.** Note: ERAS open to Programs on Sep. 29, 2021.

Thank you for taking time to provide this helpful information. We look forward to reviewing your entire application.
