

Charlottesville ENT Associates is a satellite office of the UVA Department of Otolaryngology – Head and Neck Surgery. It is located at 652 Peter Jefferson Place Suite 140 (directions at the bottom of the page). Phone number is 243-9415.

The office is staffed by Dr's John Mason and Dan Landes. Both doctors see patients for general otolaryngology issues, i.e. from all subspecialty areas of otolaryngology. Additionally, Dr. Mason has subspecialty expertise in neurotology.

Your day at Charlottesville ENT Associates will give you some idea of what Otolaryngology is like in a community office practice. Although it is recognized that this is a UVA practice, most of the patients who come to this office see this office as participating in the Martha Jefferson Hospital community and are referred by physicians affiliated with Martha Jefferson Hospital. While here your time will be spent shadowing the physicians in the office or the O.R.

To get here from UVA: Take 250 East up to Pantops Mountain. Turn right into the 2<sup>nd</sup> entrance for Peter Jefferson Place, the one at a traffic light. (If you get to the 64 interchange you have gone to far.) Then take the first left and look for the signs to Building 652.

For your first day come to the office at 8:00. We look forward to seeing you here.

Dan Landes and John Mason
