	E S	U	] _	E S U	
Effort			Experimental Skills		
<b>Analytical Ability</b>			Writing (as applicable)		
Presentations			Reading Activity		
[Required] Committee Comments and Recommendations for Development:					
[Required] Comments by the Rigor & Reproducibility Representative:					
Committee/Mentor/Student: Sign and date below. Student: Meet with Dr. Harris, obtain his signature, and return this completed form to Carrie Walker.					
The Dissertation Committee must be comprised of four tenured or tenure-track members of the BIMS Faculty; one member must have					
a primary appointment in a department other than Pharmacology; one must be on the Pharmacology Graduate Committee; one will					
function as the R&R representative. While four is the minimum required number of committee members, the Department strongly en-					
courages students to have five faculty members on the committee.  Name Signature Date
