Intro to Clerkships
Class of 2021

Feb. 11, 2019-
Feb. 22, 2020
THE CLERKSHIP YEAR

Core clinical experiences across the disciplines
Students will rotate with their college
Organized in four 12 week blocks
On average each student will spend 14 weeks at away sites
Most clerkships longer than 2 weeks are graded
Pass/Fail Clerkships are:
- Surgical Subspecialties
- Peri-Operative Medicine
- Family Medicine
THE DETAILS

Students will rotate by College

AIM and FM are away – Your College Dean and Office for Student Affairs should already be aware of students with special considerations (please notify your college dean ASAP if you require special consideration)

Students rank preferences for surgical specialties

Schedules for each student will be generated by OASIS lottery

Trading will be allowed within college only for a short period of time.

- Example: trade Salem Psych for Western State Psych
ONE 12-WEEK PERIOD WILL INCLUDE:

• Medicine-inpatient general medicine (6 weeks)
• Ambulatory Internal Medicine (at one practice - all are away sites) (3 weeks)
• Emergency Medicine (3 weeks)
ONE 12-WEEK PERIOD WILL INCLUDE:

• General Surgery (6 weeks)
• Peri-Operative Medicine (2 weeks)
• Surgical Subspecialties (4 weeks - 2 weeks per sub)

Each student will complete 2 of the 6 subspecialties below:

- Neurosurgery
- Otolaryngology
- Ophthalmology
- Plastic Surgery
- Orthopedics
- Urology
ONE 12-WEEK PERIOD WILL INCLUDE:

- Pediatrics
- Obstetrics and Gynecology

(6 weeks each)
ONE 12-WEEK PERIOD WILL INCLUDE:

- Psychiatry
- Family Medicine
- Neurology

(4 weeks each)

AWAY ROTATIONS

All clerkships have away sites except:

- Neurology, Surgical Subspecialties, Emergency Medicine and Peri-Operative Medicine

Away rotations allow you to experience a variety of hospital settings: AIM and FM sites are all “away”
# TRAVEL AND LODGING AT AWAY SITES

CAR REQUIREMENT

All students need reliable access to a car during the clerkship year.

Even clerkships in the Charlottesville area may require driving (Fontaine, Northridge, etc.)
BEFORE YOU BEGIN CLERKSHIPS:

- Sit for USMLE Step 1 Exam (no later than: Friday, Feb. 1st, 2019)
- Participate in the required Transition Course (Feb. 11-22, 2019)
  - Basic training for confidentiality and privacy
  - Basics of EPIC (UVAHS electronic record)
  - Mask fitting for respiratory cases
  - Required annual PPD (must be placed/read BEFORE you begin your clinical rotations)

Additional Requirements:
- A hand held smart phone
- Hospital ID
- Flu vaccination – make sure you have sticker on your ID badge
USMLE STEP ONE
(UNITED STATES MEDICAL LICENSING EXAM)

Must take Step 1 no later than Feb. 1st 2019 to be eligible to begin clerkships.

Applications are now available for you to register.

Application Due: October 30th, 2018
SCHEDULE OF EVENTS

Late September: OASIS lottery program is run with below criteria:
- Assign Clerkship Grids (Schedules) – based on student’s college
- Evenly distribute away weeks
- Filling clerkship slots as evenly as possible

September 24: Students emailed to rank surgical subspecialties (via Qualtrics survey)

September 30: Deadline to request rank surgical

October 15: Initial schedules released to students (students will see the results of Surgical Subspecialties Lottery and Clerkship Schedules)

October 15-26th: Trading locations/surgical subspecialties within college

November 15 (approx.): Final Schedules Available
Comprehensive Basic Science Exam

All of SMD 21 students are required to take the Comprehensive Basic Science Exam

Exam will be administered Friday, November 16 (Location TBD).

Do not schedule and flights out of Charlottesville before 5 pm
