CLERKSHIP SCHEDULING

Clerkship Handbook: <http://www.med-ed.virginia.edu/handbook>

Prerequisites: Each student must successfully complete the Transition Course (Introduction to Clerkships), patient records training, have a PPD placed & read, obtain mask fit testing, and have drug-screen testing prior to beginning Clerkships.

Clerkships:

- 4 week Peds + 4 weeks Ob/Gyn
- 4 weeks of Ambulatory Care + 4 weeks Inpatient Medicine
- 4 weeks Psychiatry + 2 weeks Neurology + 2 weeks Emergency Medicine
- 4 weeks Surgery + 2 weeks Perioperative Medicine + a 2 week Surgical Subspecialty

Each student will be assigned to approximately 14 weeks away at the University of Virginia affiliated programs in Salem, Richmond, or Fairfax or at Ambulatory Care sites.

Students are responsible for their own transportation. Students are required to carry health insurance. For any occupational exposures, please refer to our Blood-Body Fluid Exposure Policy on the web: <https://med.virginia.edu/student-affairs/policies/blood-body-fluid-exposure/>

Clinical Practice Exam (CPX): Students must pass the Clinical Practice Exam since it is a requirement for graduation. Students will be assigned date/time for CPX Exam, which will take place in the week following the end of clerkships.
