# Letter from the Chair

## Dear Valued Faculty, Staff, Students, and Alumni of the Department of Urology:

I'd like to begin by congratulating Dr. Clint Yeaman and Dr. Alex Henry on their completion of the University of Virginia's Department of Urology Residency Program. Both doctors have been an amazing addition to the department, and we're honored to have been part of their professional journey.

I'd also like to congratulate several members of our faculty that have been promoted! Congratulations to Dr. Culp, who has been promoted to Professor; Dr. Kern, who has been promoted to Associate Professor with Tenure; and Dr. Isharwal, who has been promoted to Associate Professor. We're so grateful for your contributions to the department and your dedication to your patients.

Speaking of Dr. Isharwal, be sure to tell him goodbye before his last day on July 15th!

We're sorry to see him go, but we're also happy for him as he starts a new adventure with his growing family, and we wish him nothing but the best going forward.

Dr. Kirsten Greene

I'm excited to announce that Dr. Heidar will be joining UVA Urology this fall in Uro-Oncology! We're thrilled to have him on board and look forward to his arrival this September. Please stay tuned for an introductory bio, which we hope to be able to share with you in August's newsletter.

Also, keep an eye out for our new sub interns joining us on July 8th! Be sure to give a warm welcome to Sachin Sanam and Harrison Travis as they start their rotation in Urology.

Finally, to everyone in the department—our providers, our residents, our staff, and our administrators—thank you for everything that you do. The Department of Urology wouldn't be the same without you.

A handwritten signature in black ink that reads "Kirsten Greene".

**Kirsten Greene, MD**  
**Chair of the Department of Urology**

# UPDATES

## Department Announcements

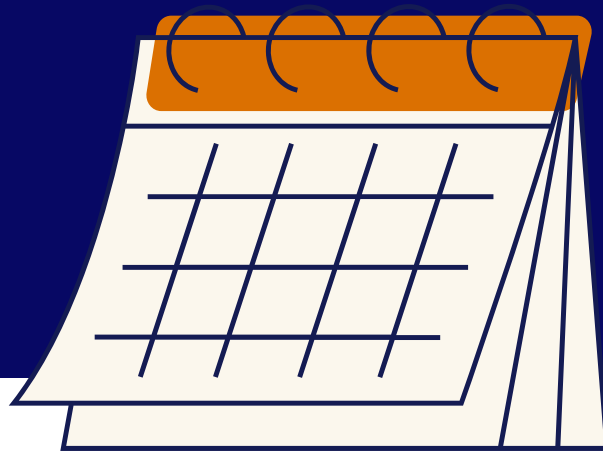

**1. Hiring Update:** Dr. Heidar, our most recent Uro-Oncology hire, will be joining UVA Urology this fall, and we're excited to have him on board!

**2. Fontaine Construction Update:** Beginning July 8th, U9 parking permit areas on the 500 side will be reopened to all permit holders and ParkMobile users who need access to Fontaine Research Park. Check the FAQ page for more information: **Fontaine Construction FAQ.**

**3. Call for Pet Pics!** Please send Katie Matherlee pictures of your pet(s) and your pet's name for a future pet feature in the newsletter!

**4. Charlottesville Guidebook:** Thank you to everyone who provided feedback and recommendations for living in Charlottesville! Those have been put together to create a guidebook to help future hires and residents get settled in the area. You can find the guidebook under the Urology Residency tab on our website, or you can click **here** to go there directly.

# CONGRADULATIONS!

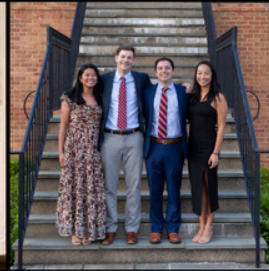

*The Department of Urology would like to give a huge shout out to Dr. Clint Yeaman and Dr. Alex Henry, our recent residency program graduates! We couldn't be prouder of these two outstanding doctors, and we wish them well as they move on to their next chapter in life. Take a moment to read what Dr. Henry and Dr. Yeaman have planned next, and be sure to check out the pictures from their graduation, which took place in June, on the following page.*

Dr. Yeaman will be working as a general urologist at Langley Air Force Base in Hampton, Virginia starting in July. He bought a home and will be moving to York County, Virginia. After graduation, he will be celebrating by visiting his brother in Boston and going on a golf trip to Monterey, California.

After boards, Dr. Henry will be traveling to Norway for vacation with his wife and son, in addition to a beach trip with his family. He'll be returning to UVA Urology this fall, and he's excited to get started with his career as an attending and looks forward to focusing on stone disease, BPH, and robotic surgery.

# DEPARTMENT SHOUT OUTS!

Shout out to Dr. Zillioux, Dr. Sun, and Luis for another amazing session for underrepresented high school students to promote early interest in medicine (pictured below.) This was part of the Office of Diversity capstone project, and Dr. Zillioux made crazy cool kidney models with clay to do URS with and used a squash carved into female anatomy to catheterize. Outstanding effort and dedication from these three, and the students had a blast!

Congratulations to Dr. Culp, who has been promoted to Professor of the Department of Urology!

Congratulations to Dr. Kern, who has been promoted to Associate Professor with Tenure of the Department of Urology!

Congratulations to Dr. Isharwal, who has been promoted to Associate Professor of the Department of Urology!

# Sub-Intern Schedule

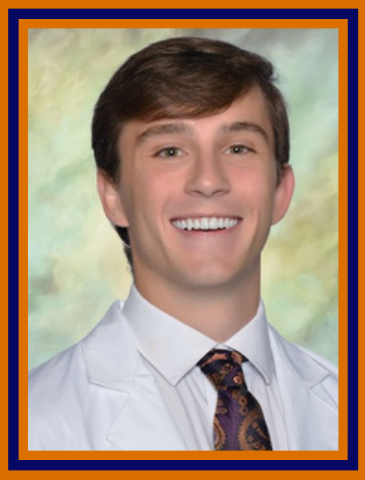

*Take a look at the schedule below to see which sub-interns will be rotating through the Department of Urology over the next few months!*

<b>May 13 - June 8</b>	<b>June 10 - July 6</b>	<b>July 8 - August 3</b>
Moritz Lange	Parker Holum	Sachin Sanam
	Jessica Qiu	Harrison Travis
	Emily Roebuck	
<b>Aug. 5 - Aug. 30</b>	<b>Sept. 2 - Sept. 27</b>	<b>Sept. 30 - Oct. 26</b>
Dylan Mittauer	Isaac Bronson	John Savino
Reagan Sandstrom	Jate Bernard	Colen Martini
Jonathan Brisbon	Jack Lucero	Savannah Petrus

# Incoming Sub-Interns

*Get to know the sub-interns rotating through UVA Urology from July 8th - August 3rd!*

## Harrison Travis

Harrison Travis, who will be rotating through UVA Urology in July, is from Monroe, Louisiana. He attended Washington and Lee University for undergrad and is currently a 3rd year student at Louisiana State University in New Orleans. He loves the outdoors and pretty much any activity that goes with it! In his free time, he enjoys travelling, hiking, camping, running, playing pickleball, golf (disc and regular), and spending time with friends.

## Sachin Sanam

Sachindra Sanam is a fourth-year medical student at Meharry Medical College. He graduated from Vanderbilt University with a BA in Medicine, Health, and Society. He was born in New Zealand, but also grew up in Los Angeles, CA and Houston, TX before arriving in Nashville, TN. He discovered Urology through a mix of personal and clinical experiences that showcased the rewarding longitudinal patient relationships and the breadth of options to help patients. While his trajectory may shift over the course of his training, he is currently interested in becoming a

general or pediatric Urologist, and he is interested in leading community outreach in an academic setting. Outside medicine, he enjoys working on cars, snoozing with his three cats, and geeking out about aviation. During his rotation in the Department of Urology at UVA Health, he is most excited about meeting and working with people from central Virginia and (fingers crossed) attending a Fridays After Five concert at Charlottesville's Downtown Mall.

# Clinic Corner

Featuring news from the Fontaine Clinic, Emily Couric Cancer Center Clinic, and Associate Clinics

## 12 Months of Caring at Fontaine Clinic: School Supplies Donations

Our amazing staff at the Fontaine Clinic have chosen a charitable cause to feature each month to support the people in our community. For June and July, they're collecting school supplies for Albemarle County Public Schools and Charlottesville City Schools. Anyone can participate, just drop off your donations to the clinic by Wednesday, July 31st!

Some items to consider donating include: paper, notebooks, binders, pens, pencils, highlighters, bookbags, folders, tissues, art supplies, and bulk snacks (like packs of crackers).

Please reach out to Ginger Clark via email if you have any questions: [UWY3HW@uvahealth.org](mailto:UWY3HW@uvahealth.org)

## Teamwork Makes the Dream Work!

The Fontaine Clinic's metric "Staff worked together to care for me" was 95.7% for the month of February. Awesome job, everyone!

### ***What Our Patients Are Saying about our Fontaine Clinic!***

*"Very thorough and professional"*

*"Great experience, everyone  
friendly and caring"*

# WE WANT TO HEAR FROM YOU!

*Do you have something you want to include in next month's Newsletter? Do you have feedback for this month's issue? Do you have ideas for future issues? Follow the links below and complete the survey to share your thoughts with us!*

*Thanks for all of your support!*

*Sincerely,*
