# Letter from the Chair

## Dear Valued Faculty, Staff, Students, and Alumni of the Urology Department:

Happy November! This month is going to be a busy one, and we're hitting the ground running with our annual Bill Steers 5k on Saturday, November 9th, at 9am at Foxfield in Charlottesville. If you haven't done so already, sign up today! We've been hard at work putting this event together in conjunction with Ragged Mountain Running, and we'd love to see everyone there. This year, the event is family friendly with face-painting, touch-a-truck, and a kid's 100 meter dash, plus a coffee truck on site and lots of great prizes from local restaurants businesses, including Orzo, Random Row Brewery, Blue Mountain Brewery, Chick-Fil-A, and the Alamo. Everyone is welcome to run!

We also have resident and sub-intern interviews this month on November 19th, 21st, and 25th. We have a lot of awesome candidates, and we're excited to meet them. Remember that they are evaluating us just as we are evaluating them so please make them feel welcome at the dinner the evening before and bring enthusiasm to the interview

process. This year interviews are being held in person, which means these applicants are really interested in our program and are spending precious time and money to join us and learn about how special our UVA Urology Residency is.

Moving forward, our Department Directory and Provider-Access pairing for F500 will both be permanently hosted on our website due to file size limits. Check the announcements page for direct links to these documents, and please send any updates to Katie Matherlee.

Also, I'd like to give a huge congratulations to all of the providers who won UVA's Patient Experience Award for the Urology (details on page 9)! Thank you for all you do for your patients, and thank you everyone for everything you do for our department. We're so lucky to have such an awesome team, and I appreciate each and every one of you.

A handwritten signature of Kirsten Greene in black ink.
