# Letter from the Chair

## Dear Valued Faculty, Staff, Students, and Alumni of the Urology Department:

As we say farewell to another wonderful year, we also said farewell to a wonderful physician. Dr. Costabile retired earlier this year, and his time at UVA was celebrated mid-November at UVA's historic Rotunda. Faculty, former and current residents, and colleagues gathered to wish him well in his next chapter in life, and he will be dearly missed. If you weren't able to attend, you can check out the recap on pages 10 and 11.

We also had our Bill Steers 5k Fundraiser in mid-November and had a very good turnout: nearly 200 racers this year. We're hoping to have an even bigger turnout next year. If you have

any thoughts or suggestions for next year's race, please email Katie Matherlee or Jessica Shifflett. To see race highlights, check out page 7-9.

Lastly, we had our resident interviews at the end of November, which were held in-person for the first time since

Dr. Kirsten Greene

2019, and it went really well! Thank you to all of the faculty who participated in interviews, and a huge shout out to Meghan Rover, Dr. Smith, and Dr. Kern for organizing everything. Stay tuned for Urology Residency Match Day on February 3, 2025, to see who will be joining us at UVA Urology.

After a busy November, I'm sure many of you are looking forward to winding down in December with time with your friends and family over the holiday season. As a reminder, our annual holiday party is coming up on December 14th, and it will be at Morven Farms this year. Check out page 6 for more details, and please make sure you RSVP if you haven't already.

It's been a wonderful year for our department, and I feel especially grateful to have the opportunity to work with you all as this year comes to a close. We've accomplished so much as a team, and I look forward to another year of success. Stay safe this holiday season, and as always, thank you for everything you do for our patients and our department. See you next year!

A handwritten signature in black ink that reads "Kirsten Greene".

# Bill Steers 5K

Saturday, November 9, dawned bright and sunny on the rolling green hills of Foxfield. It was a perfect day for the 20th anniversary running of the Bill Steers foot race, run this year as the Bill Steers Memorial 5K. Almost 200 runners gathered at the start line as race director Mark Lorenzoni spoke about his friendship with Bill and their intentions in starting this event, the importance of urological care, and the outstanding care provided by the UVA Department of Urology.

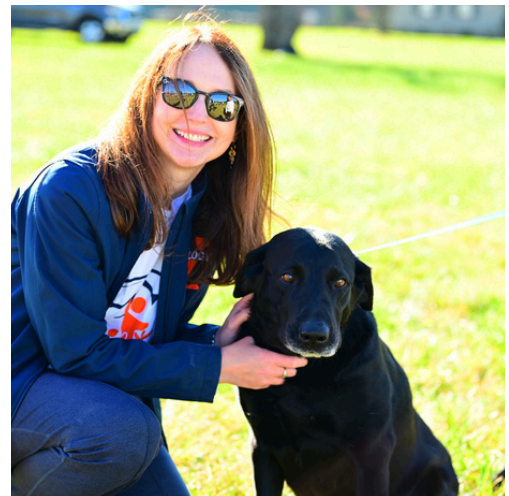

UVA Urology faculty, residents, and clinic and administrative staff gathered to run or volunteer. The Urology team - Team Testosterone - was joined by friends from Otolaryngology (The Running Noses), Anesthesiology, and more departments, along with family members and friends from the community. Dr. Greene's dog Bella made a special guest appearance as well!

***Thank you to everyone who made this day a success!***

# BON VOYAGE!

Friends, family, colleagues, and former residents and fellows gathered at the Rotunda on November 8, 2024, to celebrate the retirement of former Department Chair Dr. Raymond Costabile. The black tie affair included video tributes, toasts, laughs, and treasured memories. Bon voyage, Dr. Costabile!

# ¡Viva Madrid!

Jacqueline Zillioux, MD, recently brought the innovation of UVA Urology to the world at the International Continence Society (ICS) 2024 Annual Meeting in Madrid, Spain.

Dr. Zillioux served as a faculty member in two workshops:

- “Setting Up a Robotic Urinary Tract and Pelvic Floor Reconstructive Surgery Service”
- “Hands-On Ideal Sacral Neuromodulation with World Class Experts - Lead Placement”

Additionally, Dr. Zillioux presented a poster titled “Potential Association Between Sodium-Glucose Cotransporter 2 Inhibitor Exposure and Development of Progressive Inflammatory Cystitis: A Case Series” (co-authored with medical students Amrita Ladwa and Jessica Qiu).

Dr. Zillioux is pictured above at the Sacral Neuromodulation workshop, and at right with co-presenters Dr. Hashim Hashim (Bristol Urological Institute, United Kingdom) and Dr. Emri Huri (Hacettepe University, Turkey).

# We Appreciate You!

This past October, our Fontaine clinic celebrated Sonography Awareness Month (October), MA Appreciation Week (October 21-25), and Radiology Technician Week (November 4-8) with lunch from Chik-Fil-A! A huge THANK YOU to all of our amazing sonographers, MAs, and radiology technicians! We appreciate all that you do!!
