Letter from the Chair

Dear Valued Faculty, Staff, Students, and Alumni of the Urology Department:

Happy New Year! I hope everyone had a wonderful time with their friends and family this holiday season, and I'm excited to be back and kick off 2025 with such an awesome team. I'm also thrilled to announce that Dr. Kim Maciolek, former UVA Urology resident, will be joining us later this year in endourology! Feel free to congratulate her, and stay tuned for a bit more about her background in next month's newsletter.

In other big news, Dr. Tracy Downs won AUA's Annual

DEI Award for 2025! We are so happy he won, as he is so deserving of this honor. Please reach out and congratulate him when you have the time!

If you didn't get the chance to attend our holiday party this year, take a look at the pictures on pages 8 and 9.

Dr. Kirsten Greene

The whole team had a wonderful time at Morven Farms. The food provided by Harvest Moon Catering was amazing and the karaoke

was inspired. Thank you to everyone who attended and made it a memorable event.

Lastly, before we welcome in the new year, we always take time to reflect on the year before. Check out pages 10-12 for UVA Urology highlights for the year 2024. We did a lot of amazing things as a department this past year, and I look forward to all of the awesome things we'll do in 2025. Cheers to bringing in the new year with the best department, and thank you for all that you do for your patients and our team!

Kirsten Greene, MD
Chair of the Department

Department Shout Outs!

Congratulations to Dr. Downs who won the American Urological Association's Annual Diversity, Equity, & Inclusion Award for 2025! Dr. Downs received this award for his mentorship and devotion to advancing diversity and inclusion programs in urology.

Dr. May was elected as a member of the WUO Steering Committee during the SUO annual meeting! Way to go, Dr. May!

Dr. Culp was recently awarded the Paul Mellon Professorship. Congratulations, Dr. Culp!

Professors in the Making

Chief resident Dr. Tella and resident Dr. Owens-Walton recently taught the CAIL lab. They covered vasectomy, inguinal vs. scrotal orchiectomy and orchiopexy for undescended testicle vs. torsion, and other clinical scenarios.

SUO Highlights

Dr. Krupski was a speaker at SUO this year! She gave a talk titled: Utilizing Telehealth to Improve Access to Care for Patients with Bladder Cancer.

Dr. Ibilbor and other members of the R. Frank Jones Urological Society got a quick photo together at this year's SUO annual meeting!
