Letter from the Chair

Dear Valued Faculty, Staff, Students, and Alumni of the Urology Department:

Chief Resident Graduation is almost here, and we couldn't be prouder of our chiefs, Dylan Hutchison and David Tella, as they finish up the program. Be sure to wish them well before they leave, and check out page 7 to see what they have planned next.

Several surgeons in our department were included in Avant-Health's 2025 list of Research All-Stars! Congratulations to Dr. Ibilbor, Dr. May, Dr. Zillioux, Dr. Rapp, and Dr. Isharwal (a former physician in our department) for their contributions to the field of

urology. You can find their specific ranks and the full list on page 8.

If you haven't had the chance yet to meet our current sub-intern, Lucie Lefbom, you have until June 13th to say hello. You can read more about Lucie on

Dr. Kirsten Greene

page 6. On June 16th, we'll have three new sub-interns joining us: Graham Quinn, Alex Simpkins, and Cameron Dodd. Check out page 12 to learn more

about them, and be sure to give them a warm welcome if you see them around.

Finally, to everyone in the department—our providers, our residents, our staff, and our administrators—thank you for everything that you do. The Department of Urology wouldn't be the same without you.

A handwritten signature in black ink that reads "Kirsten Greene".
