# Letter from the Chair

## Dear Valued Faculty, Staff, Students, and Alumni of the Urology Department:

As another academic year comes to an end, I'd like to congratulate Dr. Dylan Hutchison and Dr. David Tella on the completion of their urology residency program. We are so glad to have had you at UVA Urology, and we wish you the best on the next steps in your journey. Congratulations to Dr. Cassandra Lyons on completing her andrology fellowship and Luis Gonzalez Miranda for completing the Bill Steers Research Fellowship as well!

With the next academic year beginning, I'd like to give a warm welcome to our three new interns, Liz Nazal, Sachin Sanam Venkata, and Jack Savino. We are so fortunate to have them in our residency program! Check out their bios on page 6 to get to know them, and be sure to say hi when you see them around the department.

Also, we have three new sub-interns joining us this month. Please give a warm welcome to Charles Gish, Yousif Jafar, and Camille Grady, as they begin their rotations in UVA Urology on July 14th. You can read more about these students on page 9.

Dr. Kirsten Greene

Everyone, please save the date for the UVA Urology Happy Hour on September 5th at Random Row Brewing, and try to make it if you can! Random Row has partnered with our department to help raise funds for the Bill Steers 5k. For every beer sold, they will donate one dollar to our cause. This event is informal and open to the public, so please bring your friends, family,

and spread the word! Additional details are on page 11.

Speaking of the Bill Steers 5k, the race is right around the corner! Please see page 10 to sign up if you haven't already. Residents, please reach out to Katie Matherlee if you are interested in racing. If anyone is not able to race but would still like to help, please reach out to Katie Matherlee for information on volunteering.

Finally, as always, thank you everyone for everything you do for our department. UVA Urology would not be the same without each and every one of you.

A handwritten signature in black ink that reads "Kirsten Greene".
