MA AUA is coming! Check out our department's schedule of events on pages 10-13!

UVA Urology residents and fellows participated in two labs this summer. Check out the pictures on page 16!

Run it, walk it, but don't miss the Bill Steers 5k on Sunday, September 7th at 9 AM! Check out the details on page 7!

Letter from the Chair

Dear Valued Faculty, Staff, Students, and Alumni of the Urology Department:

September is a busy month for our department, and we're hitting the ground running with our annual department fundraiser: the Bill Steers 5k! The race will be held during Prostate Cancer Awareness Month on Sunday, September 7th, to support our goal of raising funds for prostate cancer research. Whether you're running, walking, or cheering on the racers, please come out and support the department on Sunday. More details can be found on page 7. Also, be sure to stop by Random Row on Friday, September 5th, for the Urology Department's Happy Hour! For every beer sold, Random Row will donate \$1 to the Bill Steers 5k. This is a family-friendly event that is open to the public, so spread the word. More details on page 6.

The Mid-Atlantic AUA is also this

month beginning on September 11th, and many of our faculty, residents, and fellows will be participating. There is a schedule of UVA Urology events on pages 10-13 with more details. If you're planning on attending, please send Jessica Shifflett pictures for social media posts.

Dr. Kirsten Greene

Dr. Maciolek, former UVA Urology resident, is back as an official member of our faculty, and we couldn't be more thrilled. Check out her bio on page 9, and be sure to give her a warm welcome when you see her around. She is the 21st member of our faculty making us not so small any longer, but still mighty. We also have two sub-interns

joining us this month: Jay Song and Kevin Petrillo. You can read more about them on page 17.

Looking ahead, our annual Howards Pediatric Conference is just around the corner on October 8th. Dr. Hittelman, Chief of Pediatric Urology at Yale School of Medicine, will be joining us as guest speaker. Please save the date and try to attend the conference if you can. More details are on page 8.

As always, thank you everyone for everything you do for our department. UVA Urology would not be the same without each and every one of you.

Kirsten Greene, MD
Chair of the Department
of Urology

“Chronic urinary tract infections, preventing the next superbug”

“Antenatal diagnosis of Differences in Sexual development—
beyond the tip of the iceberg.”

Welcome Back Dr. Maciolek!

Our department keeps growing! Kim Maciolek, MD, is our 21st faculty member and former resident of UVA Urology. She recently finished her fellowship at Vanderbilt University in Endourology and Minimally Invasive Surgery. Originally from Wisconsin, Dr. Maciolek earned both an undergraduate degree in biomedical engineering and a medical degree from the University of Wisconsin - Go Badgers!

She also completed a research year at the University of Wisconsin studying metabolic management of stone disease. Following medical school, she completed her urology residency at the University of Virginia, where she honed her passion for stone disease and endoscopic surgery.

She is honored to again call Charlottesville home and looks forward to reconnecting with the best urology colleagues and family. She is excited to work together to serve our community, especially through the treatment of benign prostatic hypertrophy including holmium laser enucleation of the prostate (HoLEP) and complex kidney stone disease.

In addition to professional achievements, Dr. Maciolek is an avid home cook, kayaking enthusiast, and enjoys weekend adventures with her husband and corgi, Georgia Cannoli. We are so happy to have her back at UVA Urology!

Department Shout Outs!

Congratulations!

Joey Wyant (pictured on the left with his family) from our Fontaine Clinic recently completed all of the requirements to obtain his BSN. Awesome job, Joey!

Urology Women in Motion!

Dr. Owens-Walton, Kisha Woodson, and Dr. Tuong (pictured from left to right) have spent their weekends this summer preparing for The Women's 4 Miler (W4M), which was held this past Saturday, August 30th. Fun fact! The Women's 4 Miler is Virginia's largest women-only race!

UVA Urology Kicks Off a New Year!

Every year after our new residents join us in July, Dr. Culp hosts a welcome party for our department. This year was another great time with great food catered by Wahoo BBQ.

Check out the pictures below! Thank you, Dr. Culp, for being an awesome host!

Check it out!

Pictures from UVA Urology's Laparoscopic Lab and Endoscopy Lab!

Sub-Intern Schedule

Take a look at the schedule below to see which sub-interns will be rotating through the Department of Urology over the next few months!

August 11 - September 5	September 9 - October 3	October 6 - October 31
Anjalika Chalamgari	Jingwei Song	Wells Brennan
	Kevin Petrillo	
	Justin Daniels	

Incoming Sub-Interns!

Jingwei, Kevin, and Justin are joining UVA Urology this month! Read more about these awesome sub-interns below! (Justin did not provide a bio or headshot)

Jingwei Song

Jingwei Song (Jay) is a fourth-year medical student at VCU School of Medicine. He graduated from UVA in 2019, and he is thrilled to be back on Grounds! Outside of medicine, he enjoys golfing, powerlifting, rugby, cooking, exploring new restaurants, and hanging out with his cat, Miso. Fun fact! Jay played on the UVA Club Rugby team in his undergrad years!

Kevin Petrillo

Kevin Petrillo is a Virginia native and a fourth-year medical student at Georgetown University, where he also completed his undergraduate studies. Fun fact! Kevin played collegiate lacrosse at Georgetown in undergrad (They lost to UVA in the NCAA tournament his senior year—but no hard feelings!)
