

National Diabetes Prevention Program Annual Meeting

Virginia Center for Diabetes Prevention & Education

National DPP Umbrella Hub- What is it?

April 21, 2023

Nina Rodriguez MPH, RN, CDCES
nina.rodriguez@vdh.virginia.gov

What is an Umbrella Hub?

- Sponsoring Hub for Subsidiary organizations
- Connects Community-based organizations (CBOs) to healthcare payment systems

Why join a National DPP Umbrella Hub?

- Reduce administrative burden by helping you collect and submit DPRP data
- Provide billing services to allow your organizations to work towards the sustainability of DPP programs
- Platform that allows you to deliver the DPP program.
- Engagement features to connect directly with program participants and view their progress in real-time.
- Guidance and support when you become Medicare suppliers of the Medicare DPP.

Why Partner with HabitNu?

- CDC-recognized organization that delivers the National DPP lifestyle change program.
- Manage referrals, aggregate data for CDC submission, and submit claims for reimbursement.
- The American Diabetes Association and the Project Power.
- Personalized tools for the National DPP
- Proven outcomes

What does this mean for Lifestyle Coaches?
